16	REQUESTING AN INTERIM STUDY ON PROMOTING
17	THE GREATER USE OF ARKANSAS S SYSTEM OF
18	POST-SECONDARY EDUCATIONAL RESOURCES TO
19	PROVIDE WORKFORCE TRAINING FOR NEW AND
20	EXPANDING BUSINESSES AND INDUSTRIES.
21	
22	WHEREAS, Arkansas has tremendous educational resources available in its
23	system of post-secondary educational institutions; including two-year
24	community colleges, technical colleges, technical institutes and vocational-
25	technical schools; which provide learning opportunities for thousands of the
26	states citizens each year; and
27	WHEREAS, Arkansass post-secondary educational resources are well
28	utilized now to deliver associate degree programs and, in many cases, to offer
29	students convenient and affordable access to college courses transferable to
30	four-year institutions; and
31	WHEREAS, in addition to their many successes, Arkansass system of post-
32	secondary educational institutions holds the potential to become a tremendous
33	economic development tool by providing specialized training to meet the
34	particular needs of businesses and industries across the state; and
35	WHEREAS, other states have meshed the programs available through post-

36 secondary educational institutions with the needs of businesses and industries

1 to establish a dynamic and successful economic development strategy; and WHEREAS, the opportunity for Arkansans to pursue post-secondary 3 educational opportunities may improve significantly if President Clinton is 4 successful in instituting one thousand five hundred dollars (\$1,500) a year 5 tax credit for students who enroll in two-year schools; and WHEREAS, as workforce development in decades past has depended on worker 7 training provided by public educational institutions, todays worker requires 8 higher levels of training and a strong learning foundation on which to build 9 future skills that will be needed in the fast-changing work place of the 21st 10 Century. 11 12 NOW THEREFORE, 13 BE IT RESOLVED BY THE SENATE OF THE EIGHTY-FIRST GENERAL ASSEMBLY OF THE STATE 14 OF ARKANSAS, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN: 15 16 THAT an interim study is requested of the Senate and House Interim 17 Committees on Education to review options and make recommendations on how to 18 bring about a closer working relationship between post-secondary educational 19 institutions and private sector businesses and industries in order to deliver 20 the training necessary to meet immediate workforce demands and to offer 21 students new opportunities to improve themselves and their communities 22 economically and intellectually for decades to come. 23 24 25 2.6 27 28 29 30 31 32 33 34
