SECTION 2. All provisions of this Act of a general and permanent nature are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code Revision Commission shall incorporate the same in the Code.

SECTION 3. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

SECTION 4. All laws and parts of laws in conflict with this Act are hereby repealed.

SECTION 5. Emergency Clause. It is found and determined by the General Assembly that devastating tornadoes recently occurred in several counties of the state; several of the affected counties have been declared disaster areas; and that this act provides assistance to persons whose property was damaged in the tornadoes. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health and safety shall become effective on the date of its approval by the Governor. If the bill is neither approved nor vetoed by the Governor, it shall become effective on the expiration of the period of time during which the Governor may veto the bill. If the bill is vetoed by the Governor and the veto is overridden, it shall become effective on the date the last house overrides the veto.
