3 SECTION 4. DISBURSEMENT OF FUNDS. Expenditure of the funds authorized
4 by the Eighty-second General Assembly from the 82nd Session Projects Account
5 shall be made only upon documentation to the Chief Fiscal Officer of the
6 State, in such form as deemed necessary, that all criteria or pre-conditions
7 established in the appropriation act have been met or in the case of state
8 agencies, and that a Method of Finance has been filed with the Office of
9 Accounting in the Department of Finance and Administration, if required. Any
10 matching funds as may be provided in law shall be certified to the Chief
11 Fiscal Officer of the State prior to the commencement of the project.
12 Further, any recipient of the funds appropriated herein may be required to
13 file a compliance audit indicating that the use of the funds was in compliance
14 with the intent of the General Assembly.

15
16 SECTION 5. TRANSFERS AUTHORIZED. In lieu of the project description
17 set out for NorthWest Arkansas Community College and Pulaski Technical College
18 in subsection (c) of Section 3 herein, the Governor may allow such funds, not
19 to exceed \$500,000 for either institution, as approved by the Governor to be
20 used for supplementing the operations of the institutions by transferring the
21 funds to the institutions' State Treasury fund.

22
23 SECTION 6. Any enactment of the 82nd General Assembly appropriating or
24 allocating funds to be payable from the "General Improvement Fund", for which
25 a specific allocation of funds is specifically authorized in this Act, shall
26 be deemed to be payable from the "82nd Session Projects Account" within the
27 "General Improvement Fund" unless a specific intent is otherwise provided by
28 law. Any enactment of the 82nd General Assembly appropriating funds payable
29 from the General Improvement Fund which is not enumerated in this Act shall
30 not be financed from monies accruing to the 82nd Session Projects Account.
31 Provided that monies reappropriated by the 82nd General Assembly for projects
32 for which appropriations were made by the 81st General Assembly, which are not
33 enumerated in this Act and which are made payable from the "General
34 Improvement Fund", shall be payable from the "81st Session Projects Account"
35 of the "General Improvement Fund" and allowances shall be made therefore in
36 arriving at the uncommitted and unobligated balance of monies in the "General

1 Improvement Fund" before making transfers therefrom to the "82nd Session
2 Projects Account", as authorized by this Act.

3
4 SECTION 7. Distribution of funds for constructing and equipping the
5 radiation therapy institutes specified herein, shall be contingent upon the
6 provision of matching funds, including those monies previously raised but not
7 previously used to match state funds, on a dollar by dollar basis on behalf of
8 each such radiation therapy institute.

9
10 SECTION 8. All provisions of this act of a general and permanent nature
11 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code
12 Revision Commission shall incorporate the same in the Code.

13
14 SECTION 9. If any provision of this act or the application thereof to
15 any person or circumstance is held invalid, such invalidity shall not affect
16 other provisions or applications of the act which can be given effect without
17 the invalid provision or application, and to this end the provisions of this
18 act are declared to be severable.

19
20 SECTION 10. All laws and parts of laws in conflict with this act are
21 hereby repealed.

22
23 SECTION 11. EMERGENCY CLAUSE. It is hereby found and determined that
24 Eighty-Second General Assembly meeting in Regular Session has considered and
25 enacted appropriations for construction projects and other programs to be
26 financed from the accumulated surplus and reserve funds available in the State
27 Treasury; that the total of the enacted appropriations exceed the estimated
28 available funds and that the immediate passage of this Act is necessary to
29 establish a method of providing for the orderly financing and a system of
30 priority for the financing of such projects. Therefore, an emergency is
31 declared to exist and this act being immediately necessary for the
32 preservation of the public peace, health and safety shall become effective on
33 the date of its approval by the Governor. If the bill is neither approved nor
34 vetoed by the Governor, it shall become effective on the expiration of the
35 period of time during which the Governor may veto the bill. If the bill is
36 vetoed by the Governor and the veto is overridden, it shall become effective

1 on the date the last house overrides the veto.
