20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
21

22 SECTION 1. Arkansas Code 23-76-119 is hereby amended to read as  
23 follows:

24 "(a) No Health Maintenance Organization, or representative thereof, may  
25 knowingly cause or knowingly permit the use of advertising which is untrue or  
26 misleading, solicitation which is untrue or misleading, or any form of  
27 evidence of coverage which is deceptive. For purposes of this chapter:

28 (1) A statement or item of information shall be deemed to be  
29 untrue if it does not conform to fact in any respect which is or may be  
30 significant to an enrollee of, or person considering enrollment in, a health  
31 care plan;

32 (2) A statement or item of information shall be deemed to be  
33 misleading, whether or not it may be literally untrue, if, in the total  
34 context in which the statement is made or the item of information is  
35 communicated, the statement or item of information may be reasonably  
36 understood by a reasonable person, not possessing special knowledge regarding

1 health care coverage, as indicating any benefit or advantage or the absence of  
2 any exclusion, limitation, or disadvantage of possible significance to an  
3 enrollee of, or person considering enrollment in, a health care plan, if the  
4 benefit or advantage or absence of limitation, exclusion, or disadvantage does  
5 not in fact exist;

6 (3) An evidence of coverage shall be deemed to be deceptive if the  
7 evidence of coverage taken as a whole, and with consideration given to  
8 typography and format, as well as language, shall be such as to cause a  
9 reasonable person, not possessing special knowledge regarding health care  
10 plans and evidences of coverage therefor, to expect benefits, services,  
11 charges, or other advantages which the evidence of coverage does not provide  
12 or which the health care plan issuing the evidence of coverage does not  
13 regularly make available for enrollees covered under such evidence of  
14 coverage.

15 (b) An enrollee may not be cancelled or nonrenewed except for the  
16 failure to pay the charge for the coverage or for such other reasons as may be  
17 promulgated by the commissioner.

18 (c) Any Health Maintenance Organization which commits violations of Ark.  
19 Code Ann. §23-76-118 (b)(3) with such frequency as to indicate a general  
20 business practice shall have committed an unfair claims settlement practice as  
21 defined in Ark. Code Ann. §23-66-206 (9).

22 (d) No Health Maintenance Organization shall offer any evidence of  
23 coverage, or amendment thereto to any person in this state without also  
24 offering to the enrollee an additional option of:

25 (1) A point of service option which provides benefits for covered  
26 services through health professionals and providers who are not members of the  
27 Health Maintenance Organization's medical provider network;

28 (2) The Health Maintenance Organization shall fully disclose to  
29 the enrollee, in clear, understandable language, the terms and conditions of  
30 each option, the co-payments or other cost-sharing features of each option and  
31 the costs associated with each such option provided by the issuer. The  
32 commissioner may promulgate rules regarding presentation of these terms and  
33 conditions, including a suggested standard format, to facilitate the  
34 comparison by the enrollee of the terms and conditions of each option. The  
35 obligation of a Health Maintenance Organization to make the offer described in  
36 this section may be satisfied by the Health Maintenance Organization providing

1 to the employer or other plan sponsor presentation materials for dissemination  
2 to employees or principal enrollees.

3 (3) The amount of any additional premium required for the options  
4 described in subsection (2) may be paid by the purchaser of the health plan or  
5 may be paid by the enrollee of such group. Such additional premium, taking  
6 into account any co-payments or other cost-sharing features, which shall not  
7 be waived by the provider, shall not exceed an amount that is fair and  
8 reasonable in relation to the benefits provided, as determined by the  
9 Insurance Commissioner, in regulations.

10 (4) Under the option described in subsection (2), the rate of  
11 reimbursement for health providers out of the network shall be no higher than  
12 the normal and usual and customary rate charged by those out of network  
13 providers on a regular basis, provided that co-payment, co-insurance and other  
14 cost-sharing features may be different for out-of-network providers than in-  
15 network providers.

16 (5) The option described in subsection (2) shall be a part of  
17 every contract issued by a Health Maintenance Organization.

18 (e) No managed care plan of the Health Maintenance Organization and the  
19 provider shall provide for any financial incentive which compensates  
20 a health care provider for providing less than medically necessary and  
21 appropriate care to an enrollee. Nothing in this section shall be deemed  
22 to prohibit a managed care plan from using a capitated payment arrangement or  
23 other risk-sharing arrangement.

24 (f) No health maintenance organization shall provide, directly or  
25 indirectly, any financial incentive or disincentive, or grant or deny any  
26 special favor or advantage of any kind or nature whatsoever, to any person to  
27 encourage or cause early discharge of a hospital inpatient from postpartum  
28 care. Notwithstanding the above, this section does not prohibit use of  
29 prospective payment systems including, but not limited to, capitation and  
30 diagnostic related groupings, that are designed to promote efficiency in  
31 appropriate health care delivery.

32 (g) No Health Maintenance Organization shall offer any evidence of  
33 coverage, or amendment thereto to any person in this state without also  
34 providing in the plan for the continuity of care following a termination of  
35 any contract with a participating health care provider:

36 (1) The plan shall provide for continuity of care at the

1 enrollee's option, for a transitional period of up to sixty (60) days from the  
2 date the enrollee was notified by the plan of the termination or pending  
3 termination. The managed care plan, in consultation with the enrollee and the  
4 health care provider, may extend the transitional period if determined to be  
5 clinically appropriate. In the case of an enrollee in the second or third  
6 trimester of pregnancy at the time of notice of the termination or pending  
7 termination, the transitional period shall extend through postpartum care  
8 related to the delivery.

9 (2) If the plan terminates the contract of a participating health  
10 care provider for cause, including breach of contract, fraud, criminal  
11 activity or posing a danger to an enrollee or the health, safety or welfare of  
12 the public as determined by the plan, the plan shall not be responsible for  
13 health care services provided to the enrollee following the date of  
14 termination.

15 (3) If the plan terminates the contract of a participating primary  
16 care provider, the plan shall notify every enrollee served by that provider of  
17 the plan's termination of its contract and shall request that the enrollee  
18 select another primary care provider.

19 (4) A new enrollee may continue an ongoing course of treatment  
20 with a nonparticipating health care provider for a transitional period of up  
21 to sixty (60) days from the effective date of enrollment in a managed care  
22 plan. The managed care plan, in consultation with the enrollee and the health  
23 care provider, may extend this transitional period if determined to be  
24 clinically appropriate. In the case of a new enrollee in the second or third  
25 trimester of pregnancy on the effective date of enrollment, the transitional  
26 period shall extend through postpartum care related to the delivery.

27 (5) Nothing in this section shall require a managed care plan to  
28 provide health care services that are not otherwise covered under the terms  
29 and conditions of the plan."

30  
31 SECTION 2. All provisions of this act of a general and permanent nature  
32 are amendatory to the Arkansas Code of 1987 Annotated and the Arkansas Code  
33 Revision Commission shall incorporate the same in the Code.

34  
35 SECTION 3. If any provision of this act or the application thereof to  
36 any person or circumstance is held invalid, such invalidity shall not affect

1 other provisions or applications of the act which can be given effect without  
2 the invalid provision or application, and to this end the provisions of this  
3 act are declared to be severable.

4

5 SECTION 4. All laws and parts of laws in conflict with this act are  
6 hereby repealed.
