For An Act To Be Entitled

9 AN ACT TO PERMIT THE MEDICAL USE OF MARIJUANA; AND FOR
10 OTHER PURPOSES.

Subtitle

13 AN ACT TO PERMIT THE MEDICAL USE OF
14 MARIJUANA.

17 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

19 SECTION 1. This act may be referred to and cited as the "Arkansas
20 Medical Marijuana Act".

22 SECTION 2. The General Assembly finds that:

23 (1) Patients and doctors have found marijuana to be an effective
24 treatment for suffering caused by debilitating medical conditions, and
25 therefore, marijuana should be treated like other medicines;

26 (2) Arkansans suffering from debilitating medical conditions should be
27 allowed to use small amounts of marijuana without fear of civil or criminal
28 penalties when their doctors advise that such use may provide a medical
29 benefit to them and when other reasonable restrictions are met regarding that
30 use;

31 (3) Arkansans with debilitating medical conditions who may benefit from
32 the medical use of marijuana should be able to discuss freely with their
33 doctors the possible risks and benefits of medical marijuana use and to have
34 the benefit of their doctor's professional advice; and

35 (4) The General Assembly intends to make only those changes to existing
36 Arkansas laws that are necessary to protect patients and their doctors from

criminal and civil penalties, and are not intended to change current civil and criminal laws governing the use of marijuana for nonmedical purposes.

(3) Information regarding registry identification cards received by a local health unit of the Department of Health shall be confidential and not subject to disclosure except as required to transmit the information to the department.

(e) The department shall verify the information contained in an application submitted pursuant to this section and shall approve or deny an application within thirty (30) calendar days after receipt of the application.

(1) The department may deny an application only for the following reasons:

(A) The applicant did not provide the information required to establish his or her debilitating medical condition and to document his or her consultation with an attending physician regarding the medical use of marijuana in connection with such condition; or

(B) The department determines that the information provided was falsified.

(2)(A) Denial of a registry identification card shall be considered a final department action subject to judicial review.

(3) Any person whose application has been denied may not reapply for six (6) months after the date of the denial, unless so authorized by the department or a court of competent jurisdiction.

(f)(1) If the department has verified the information submitted in an application for a registry identification card and none of the reasons for denial listed in subdivision (e)(1) are applicable, the department shall issue a serially numbered registry identification card within five (5) calendar days after verification of the information. The registry identification card shall state:

(A) The cardholder's name, address and date of birth;

(B) The date of issuance and expiration date of the

1 registry identification card;

2 (C) The name and address of the person's designated primary
3 caregiver, if any; and

4 (D) Such other information as the department may specify by

11 shall contain the information required in subdivision (f)(1).

12 (g)(1) A person who possesses a registry identification card shall:

20 (2)(A) If a person who possesses a registry identification card
21 fails to comply with this subsection, the card shall be deemed expired.

22 (B) If a registry identification card expires, the
23 identification card of any designated primary caregiver of the cardholder
24 shall also expire.

25 (h)(1) A person who possesses a registry identification card and who
26 has been diagnosed by the person's attending physician as no longer having a

28 to the department within seven (7) calendar days after notification of the
29 diagnosis.

30 (2) Any designated primary caregiver shall return his or her
31 identification card within the same period of time.

32 (i)(1) A person who has applied for a registry identification card but
33 whose application has not yet been approved or denied, and who is contacted by
34 any law enforcement officer in connection with his or her administration,
35 possession, delivery or production of marijuana for medical use may provide to
36 the law enforcement officer a copy of the written documentation submitted to

1 the department and proof of the date of mailing or other transmission of the
2 documentation to the department.

3 (2) This documentation shall have the same legal effect as a
4 registry identification card until such time as the person receives
5 notification that the application has been approved or denied.

6
7 SECTION 5. (a) No person authorized to possess, deliver or produce
8 marijuana for medical use shall be excepted from the criminal laws of this
9 state or shall be deemed to have established an affirmative defense to
10 criminal charges of which possession, delivery or production of marijuana is
11 an element if the person, in connection with the facts giving rise to such
12 charges:

13 (1) Drives under the influence of marijuana;

14 (2) Engages in the medical use of marijuana in a public place, or
15 in public view;

16 (3) Delivers marijuana to any individual who the person knows is
17 not in possession of a registry identification card; or

18 (4) Delivers marijuana for consideration to any individual, even
19 if the individual is in possession of a registry identification card.

20 (b) In addition to any other penalty allowed by law, a person whom the
21 department finds has willfully violated the provisions of this subchapter or
22 regulations adopted under this subchapter may be precluded from obtaining or
23 using a registry identification card for the medical use of marijuana for a
24 period of up to six (6) months, at the discretion of the department.

25
26 SECTION 6. (a) Except as provided in sections 5 and 11 of this
27 subchapter, it is an affirmative defense to a criminal charge of possession or
28 production of marijuana, or any other criminal offense in which possession or
29 production of marijuana is an element, that the person charged with the
30 offense is a person who:

31 (1) Has been diagnosed with a debilitating medical condition and
32 been advised by his or her attending physician that the medical use of
33 marijuana may mitigate the symptoms or effects of that debilitating medical
34 condition;

35 (2) Is engaged in the medical use of marijuana; and

36 (3) Possesses or produces marijuana only in the amounts permitted

under section 7 of this subchapter, if the person proves by a preponderance of the evidence that the greater amount is medically necessary to mitigate the symptoms or effects of the person's debilitating medical condition.

(b) It is not necessary for a person asserting an affirmative defense under subsection (a) to have received a registry identification card in order to assert the affirmative defense established under subsection (a).

(c) No person who claims that marijuana provides medically necessary benefits and who is charged with a crime pertaining to such use of marijuana shall be precluded from presenting in his or her defense evidence supporting the necessity of marijuana for treatment of a specific disease or medical condition, provided that the amount of marijuana at issue is no greater than permitted under section 7 of this subchapter.

SECTION 7. (a) A person who possesses a registry identification card may engage in, and a designated primary caregiver of such a person may assist in, the medical use of marijuana only as justified to mitigate the symptoms or effects of the person's debilitating medical condition. Except as allowed in subsection (b), a registry identification cardholder and that person's designated primary caregiver may not collectively possess, deliver or produce more than the following:

(1) If the person is present at a location at which marijuana is not produced, including any residence associated with that location, one (1) ounce of usable marijuana; and

(2) If the person is present at a location at which marijuana is produced, including any residence associated with that location, three (3) mature marijuana plants, four (4) immature marijuana plants and one (1) ounce of usable marijuana per each mature plant.

(b) If the individuals described in subsection (a) possess, deliver or produce marijuana in excess of the amounts allowed in subsection (a), such individuals are not excepted from the criminal laws of the state but may establish an affirmative defense to such charges, by a preponderance of the evidence, that the greater amount is medically necessary to mitigate the symptoms or effects of the person's debilitating medical condition.

(c) The department shall define by regulation when a marijuana plant is mature and when it is immature for purposes of this subchapter.

SECTION 8. (a) Possession of a registry identification card or designated primary caregiver identification card shall not alone constitute probable cause to search the person or property of the cardholder or otherwise subject the person or property of the cardholder to inspection by any governmental agency.

(b)(1) Any property interest possessed, owned or used in connection with the medical use of marijuana or acts incidental to the medical use of marijuana that has been seized by state or local law enforcement officers shall not be harmed, neglected, injured or destroyed while in the possession of any law enforcement agency.

(2) No property interest possessed, owned or used in connection with the medical use of marijuana or acts may be forfeited under any provision of law providing for the forfeiture of property other than as a sentence imposed after conviction of a criminal offense.

(3)(A) Marijuana and paraphernalia used to administer marijuana that was seized by any law enforcement officer shall be returned immediately upon a determination by the prosecuting attorney in whose county the property was seized, or his or her designee, that the person from whom the marijuana or paraphernalia used to administer marijuana was seized is entitled to the protections contained in this subchapter.

(B) A determination that the person from whom the marijuana or paraphernalia used to administer marijuana was seized is entitled to the protections contained in this subchapter may be evidenced, for example, by:

(i) A decision not to prosecute;

(ii) The dismissal of charges; or

(iii) Acquittal.

SECTION 9. No attending physician may be subjected to civil penalty or discipline by the Arkansas State Medical Board for:

(1) Advising a person whom the attending physician has diagnosed as having a debilitating medical condition, or a person who the attending physician knows has been so diagnosed by another physician licensed in this state, about the risks and benefits of medical use of marijuana or that the medical use of marijuana may mitigate the symptoms or effects of the person's debilitating medical condition, provided the advice is based on the attending physician's personal assessment of the person's medical history and current

1 medical condition; or

2 (2) Providing the written documentation necessary for issuance of
3 a registry identification card, if the documentation is based on the attending
4 physician's personal assessment of the applicant's medical history and current
5 medical condition and the physician has discussed the potential medical risks
6 and benefits of the medical use of marijuana with the applicant.

7
8 SECTION 10. No professional licensing board may impose a civil penalty
9 or take other disciplinary action against a licensee based on the licensee's
10 medical use of marijuana or actions taken by the licensee that are necessary
11 to carry out the licensee's role as a designated primary caregiver to a person
12 who possesses a lawful registry identification card.

13
14 SECTION 11. Nothing in this act shall protect a person from a criminal
15 cause of action based on possession, production, or delivery of marijuana that
16 is not authorized by this subchapter.

17
18 SECTION 12. (a)(1) The department shall create and maintain a list of
19 the persons to whom the department has issued registry identification cards
20 and the names of any designated primary caregivers.

21 (2) Except as provided in subsection (b), the list shall be
22 confidential and not subject to public disclosure.

23 (b) Names and other identifying information from the list established
24 pursuant to subsection (a) may be released to:

25 (1) Authorized employees of the department as necessary to
26 perform official duties of the department; and

27 (2) Authorized employees of state or local law enforcement
28 agencies, only as necessary to verify that a person is a lawful possessor of a
29 registry identification card or that a person is the designated primary
30 caregiver of a lawful possessor of a registry identification card.

31
32 SECTION 13. (a) If a person who possesses a registry identification
33 card chooses to have a designated primary caregiver, the person must designate
34 the primary caregiver by including the primary caregiver's name and address:

35 (1) On the person's application for a registry identification
36 card;

1 (2) In the annual updated information required under this
2 subchapter; or

3 (3) In a written, signed statement submitted to the department.

4 (b) A person described in subsection (a) may have only one (1)
5 designated primary caregiver at any given time.

6
7 SECTION 14. (a) Any person may submit a petition to the department
8 requesting that a particular disease or condition be included among the
9 diseases and conditions that qualify as debilitating medical conditions.

10 (b) The department shall adopt regulations establishing the manner in
11 which the department will evaluate petitions submitted under this subsection.

12 (c)(1) The department shall approve or deny a petition within one
13 hundred-eighty (180) days of receipt of the petition by the department.

14 (2) Denial of a petition shall be considered a final department
15 action subject to judicial review.

16
17 SECTION 15. The department shall adopt all regulations necessary for
18 the implementation and administration of this subchapter.

19
20 SECTION 16. Nothing in this subchapter shall be construed to require:

21 (1) A government medical assistance program or private health
22 insurer to reimburse a person for costs associated with the medical use of
23 marijuana; or

24 (2) An employer to accommodate the medical use of marijuana in
25 any workplace.
