20 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the  
21 General Assembly that existing law concerning public employees' deferred  
22 compensation plans does not conform with the requirements of IRC § 457; that  
23 failure to comply with these requirements may result in unintended income tax  
24 liabilities for public employees; that existing law concerning public  
25 employees' deferred compensation plans currently provides few alternatives  
26 for investing deferred compensation; that additional investment alternatives  
27 are necessary to enable public employees to maximize their earnings from  
28 deferred compensation investments. Therefore, an emergency is declared to  
29 exist and this act being immediately necessary for the preservation of the  
30 public peace, health and safety shall become effective on the date of its  
31 approval by the Governor. If the bill is neither approved nor vetoed by the  
32 Governor, it shall become effective on the expiration of the period of time  
33 during which the Governor may veto the bill. If the bill is vetoed by the  
34 Governor and the veto is overridden, it shall become effective on the date  
35 the last house overrides the veto.
