23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
24

25 SECTION 1. Arkansas Code Title 24, Chapter 7, Subchapter 6 is amended to  
26 add an additional section to read as follows:

27 24-7-610. National Guard service credit.

28 (a)(1) Any member of the Arkansas Teacher Retirement System shall be  
29 entitled to purchase credited service in the system for a period not to exceed  
30 five (5) years for service rendered by the member in the Arkansas National  
31 Guard if the member:

32 (A) Makes an application to the Board of Trustees of the  
33 Arkansas Teacher Retirement System;

34 (B) Provides proof satisfactory to the board of that  
35 person's service in the Arkansas National Guard; and

36 (C) Pays to the system for each year of service credit

1 being granted the employee and employer contribution rate in effect at the  
2 time of the purchase the greater of the annual salary receive by him for his  
3 first full year of credited service that precedes the fiscal year in which the  
4 service is purchased, or the average of the three (3) highest salaries earned  
5 at the time of purchase, plus interest from the end of that year of credited  
6 service to the date of payment in full, for each year of service credit.

7 (2) If the payment for service under this section is not made in  
8 a single lump-sum payment, interest shall accrue from the date of the initial  
9 payment to the date of the payment in full.

10 (3) The payment shall be credited to the member's account in the  
11 members' deposit account and shall be in addition to regular member  
12 contributions.

13 (b) Members shall receive one (1) year of purchased service credit for  
14 each five (5) years of Arkansas National Guard service.

15 (c) The National Guard service shall not become credited service under  
16 this system until:

17 (1) The member payments specified in subdivision (a)(1)(C) of  
18 this section have been paid in full; and

19 (2) The member has established five (5) or more years of actual  
20 service in the system.

21 (d) If a member ceases to be an active member before the National Guard  
22 service has been established as system-credited service, the member payments  
23 contributed as specified in subdivision (a)(1)(C) of this section shall be  
24 refundable, together with regular interest.

25 (e)(1) This section shall be supplemental to § 24-7-602 and nothing in  
26 this section shall be construed to diminish the right of any member of the  
27 system to obtain credited service in the system for active duty military  
28 service within the limits permitted by § 24-7-602.

29 (2) However, no member shall be entitled to or receive in excess  
30 of five (5) years of credited service rendered by the member under this  
31 section.

32 (f) Except for service credit under § 24-7-602(e), service credit in  
33 the Arkansas National Guard shall not be given if the service is credited  
34 under any other retirement plan, including a federal military retirement.

35  
36 SECTION 2. [THE ARKANSAS CODE REVISION COMMISSION IS NOT REQUIRED TO

1 CODIFY THIS SECTION.] No benefit enhancement provided for by this act shall be  
2 implemented if it would cause the publicly-supported retirement system's  
3 unfunded actuarial accrued liabilities to exceed a thirty (30) year  
4 amortization. No benefit enhancement provided for by this act shall be  
5 implemented by any publicly-supported system which has unfunded actuarial  
6 accrued liabilities being amortized over a period exceeding thirty (30) years  
7 until the unfunded actuarial accrued liability is reduced to a level less than  
8 the standards prescribed by Arkansas Code, Title 24.

9  
10 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General  
11 Assembly that that members of the Teacher Retirement System sometimes serve in  
12 the Arkansas National Guard, that current retirement laws do not permit those  
13 members to purchase that service, but active duty military service can be  
14 purchased; that Arkansas National Guard service by teachers is vital to and  
15 more directly benefits the citizens of Arkansas than does active duty military  
16 service; that it is inequitable to not provide for the purchase of National  
17 Guard service under the system; and that the most effective time to make  
18 changes to the retirement system is at the beginning of the state's fiscal  
19 year. Therefore an emergency is declared to exist and this act being  
20 immediately necessary for the preservation of the public peace, health and  
21 safety shall become effective on July 1, 2001.
