11 projects undertaken based on the foregoing powers and authority; provided,  
12 however, nothing herein shall prevent any board of trustees of such public  
13 institutions of higher education from entering into an agreement with Arkansas  
14 State Building Services to provide review, consultation, approval, assistance  
15 or advice for such projects. However, public institutions of higher education  
16 exempt from project review, consultation, approval, assistance or advice of  
17 Arkansas State Building Services shall remain subject to other laws governing  
18 public works including, without limitation, §§ 22-9-101 through 22-9-702 and  
19 §§ 19-4-1401 through 19-4-1413.

20

22 (b) All persons, firms, associations, and corporations who have valid  
23 claims against the bond may bring an action on the bond against the corporate  
24 surety, provided that no action shall be brought on the bond after twelve (12)  
25 months from the date on which the Arkansas State Building Services, or  
26 institutions exempt from construction review and approval by Arkansas State  
27 Building Services, approves final payment on the state contract, nor shall any  
28 action be brought outside the State of Arkansas.

29  
30 SECTION 3. Arkansas Code 19-4-1402 is amended to read as follows:

31 19-4-1402. Contracts to be filed.

32 Executed counterparts of all contracts entered into by any state agency  
33 with respect to proposed projects for new improvements or major repairs or  
34 additions to existing buildings and facilities shall be filed with the  
35 Arkansas State Building Services prior to the issuance of any vouchers making  
36 payments under any such contract, unless the contract is exempted from

1 Arkansas State Building Services jurisdiction by any law or regulation  
2 promulgated pursuant to the Arkansas Administrative Procedure Act. The Boards  
3 of Trustees of the University of Arkansas, Arkansas State University,  
4 University of Central Arkansas, Henderson State University, Arkansas Tech

23 property arising, or claimed to have arisen, in the course of the work  
24 project, within limits fixed by Arkansas State Building Services; provided,  
25 however, for projects undertaken by public institutions of higher education,  
26 the bonds shall be in an amount and within limits fixed by the governing board  
27 of such public institution of higher education.

28  
29 SECTION 5. Arkansas Code 19-4-1405(e) is amended to read as follows:

30 (e) Whenever it is obvious from examination of the bid document that it  
31 was the intent of a bidder to submit a responsive bid, and the bid, because of  
32 scrivener error such as transposition of figures, if accepted would create a  
33 serious financial loss to the bidder, the Director of Arkansas State Building  
34 Services has the authority to relieve the bidder from responsibility under his
