16
17 TO DIRECT THE ESTABLISHMENT OF
18 REGULATIONS REGARDING SELF-CONSTRUCTION
19 PROJECTS BY PUBLIC EDUCATIONAL ENTITIES.

20
21
22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

23
24 SECTION 1. (a) The State Board of Education, after consulting with
25 Arkansas State Building Services and any other entities, shall establish
26 rules and regulations applicable to public educational entities for all
27 public works projects where the public educational entity uses their own
28 employees or acts as a general contractor.

29 (b) As used in this act, "public educational entities" means Arkansas
30 public school districts, charter schools, educational cooperatives, or any
31 publicly supported entity having supervision over public educational
32 entities. Public educational entity does not include institutions of higher
33 education.
