SECTION 4. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE 8 NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. CONTINGENCY. 9 (a) To address needs emerging from the restructuring of the Technical 10 11 Institutes, Riverside Vocational Technical School shall establish and maintain for the 2001-2003 2003-2005 biennium a pool of three (3) 12 13 unclassified positions and two (2) classified positions, payable from funds appropriated for Riverside Vocational Technical School. These positions are 14 15 to be used by Riverside Vocational Technical School in the event that the 16 number and level of positions available to address the needs emerging from 17 the increasing number of inmates incarcerated within the Arkansas Department of Correction and business and industry driven program expansions exceeds the 18 19 number of positions regularly authorized for Riverside Vocational Technical 20 School.

21 (b) Riverside Vocational Technical School shall provide justification to the 22 Department of Finance and Administration's Office of Personnel Management 23 (OPM) for the need to allocate titles from this position pool. No 24 classifications will be assigned to the pool until such time as specific positions are requested and justified by Riverside Vocational Technical 25 26 School, recommended by OPM and approved by the Legislative Council. Riverside Vocational Technical School may transfer positions from this pool 27 28 to any pay schedule the agency currently maintains or any pay schedule the 29 agency receives during the 2001-2003 2003-2005 biennium.

30 (c) Determining the number of personnel to be employed by a state agency is 31 the prerogative of the General Assembly and is usually accomplished by 32 delineating the maximum number of personnel by identifying job titles and the 33 maximum grade or salary attached to those titles. The General Assembly has 34 determined that Riverside Vocational Technical School could be operated more 35 efficiently if some flexibility is given to that agency. That flexibility is 36 being accomplished by providing growth pools in subsection (a) of this

1 section and since the General Assembly has granted the agency broad powers 2 under the growth pool concept, it is both necessary and appropriate that the General Assembly maintain oversight of the utilization of the growth pool by 3 4 requiring prior approval of the Legislative Council in the utilization of the 5 growth pool. Therefore, the requirement of approval by the Legislative 6 Council is not a severable part of this section. If the requirement of 7 approval by the Legislative Council is ruled unconstitutional by a court 8 jurisdiction, this entire section is void.

9 If the agency requests continuation of a "Growth Pool" position(s) as

10 established herein during the next biennium, the position(s) must be

11 requested as a new position(s) in the agencies biennial budget request.

12 The provisions of this section shall be in effect only from July 1, 2001 July

13 <u>1, 2003</u> through <u>June 30, 2003</u> <u>June 30, 2005</u>.

| 8  | Assembly, that the Constitution of the State of Arkansas prohibits the        |
