| 26 | BE IT ENACTED BY THE GEN  | NERAL ASSEMBLY OF THE STATE OF A  | RKANSAS:              |
| 27 |   |                                   |                       |
| 28 | SECTION 1. <u>(a)</u>   | The General Assembly finds that:  |                       |
| 29 | (1) A great many school-age children in Arkansas are taking                   |                                   |                       |
| 30 | psychotropic drugs to co  | ontrol behavioral problems;       |                       |
| 31 | <u>(2)</u> There a  | are documented incidents of high  | <u>ly negative</u>    |
| 32 | consequences in which psychotropic prescription drugs have been used for what |                                   |                       |
| 33 | are essentially problems in discipline that may be related to lack of         |                                   |                       |
| 34 | academic success;   |                                   |                       |
| 35 | (3) The National Institutes of Health Consensus Development                   |                                   |                       |
| 36 | Panel reported that stir  | nulant drugs such as methylphenic | date (Ritalin) result |

| 1  | in "little improvement in academic or social skills";                       |  |  |
|----|---|--|--|
| 2  | (4) School districts must be ever vigilant to ensure that                   |  |  |
| 3  | parents are not encouraged by school personnel to resort to unnecessary use |  |  |
| 4  | of psychotropic prescription drugs to resolve problems in discipline.       |  |  |
| 5  | (b) The board of directors of each school district shall develop            |  |  |
| 6  | policies:   |  |  |
| 7  | (1) To prohibit school personnel from recommending the use of               |  |  |
| 8  | psychotropic prescription drugs for a child;                                |  |  |
| 9  | (2) To prohibit school personnel without proper medical training            |  |  |
| 10 | from recommending that a child be tested for attention deficit disorder,    |  |  |
| 11 | hyperactivity disorder, or both; and  |  |  |
| 12 | (3) To encourage school personnel to discuss concerns about a               |  |  |
| 13 | child's behavior with the parent or legal guardian of the child and the     |  |  |
| 14 | discussions may include a suggestion by school personnel that the parent or |  |  |
| 15 | legal guardian speak with an appropriate health care professional.          |  |  |
