18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
19

20 SECTION 1. Arkansas Code Title 6, Chapter 82, is amended to add an
21 additional subchapter to read as follows:

22 6-82-1601. Legislative findings and intent - Purpose of subchapter.

23 (a)(1) The General Assembly, giving due consideration to the
24 historical and continuing interest of the people of Arkansas in encouraging
25 able and deserving students to realize their aspirations for postsecondary
26 education, finds and declares that postsecondary education for residents of
27 this state who desire an education and are properly qualified therefor is
28 important to the welfare and security of this state and nation, and
29 consequently is an important public service.

30 (2) The General Assembly finds and declares that the state can
31 achieve its full economic and social potential only if every individual has
32 the opportunity to contribute to the full extent of his or her capabilities
33 and only when financial barriers to his or her economic, social, and
34 educational goals are removed.

35 (b)(1) The General Assembly recognizes the importance that Arkansans
36 of all ages continue to pursue educational opportunities.

1 (2) Arkansans who desire to pursue educational enrichment and to
2 improve present skills, but who may be unable to attend post-secondary
3 education institutions in the traditional manner, are commended for their
4 initiative and persistence.

5 (c) It is the intent of this legislation to provide financial support
6 to adult students who are unlikely to receive meaningful financial aid from
7 traditional state or federal financial aid programs, and to enhance the
8 education of the current workforce in Arkansas.
