1 that the lands be included or excluded from the district, it shall make an

3 (e) If the court finds that lands should be included in the district,
4 the court shall make a finding and order as to an equitable amount to be paid

19 deducted from the assessments paid in by the parties.

20 (h) No land excluded from the district shall be released from any
21 obligation to pay any valid outstanding indebtedness of the district at the
22 time of filing the petition for exclusion unless the holders of the
23 indebtedness shall assent to the release of the lands from such obligation.

24 (i) All costs of the proceedings shall be assessed against the
25 petitioners.

26 (j) Appeals from judgments of the court made pursuant to this section

30 SECTION 5. Arkansas Code § 14-117-209 is amended to read as follows:

31 14-117-209. Assessment of lands outside district - Boundary extension.

32 (a) If the board, upon petition of a majority in number as provided in
33 §§ 14-117-202 and 14-117-204 - 14-117-206 for the establishment of districts,
34 finds that other lands not embraced within the boundaries of the district
35 will be affected by the proposed improvement, it shall assess the estimated
36 benefits and damages to the lands based on the appraised value and shall

1 specially report to the ~~chancery~~ or circuit court the assessment which it has
2 made on the lands beyond the boundaries of the district as already
3 established.

4 (b) It shall then be the duty of the ~~court~~ board to give notice by
5 ~~publication for two (2) weeks in a newspaper or newspapers published~~
6 registered mail, return receipt requested, to all persons owning property in
7 the county or counties where the lands lie, describing the additional lands
8 which have been assessed. The owners of real property so assessed shall be
9 allowed thirty (30) days after the ~~last publication of the~~ date of the notice
10 to file with the clerk their protest against being included within the
11 district.

12 (c) The court shall at its next session investigate the question
13 whether the lands beyond the boundaries of the district so assessed by the
14 board will in fact be benefited or damaged by the making of the improvement.
15 From its finding in that regard and its order based thereon, either the
16 property owners affected by the assessment or the board may within thirty
17 (30) days file an appeal to the Supreme Court. If the finding and order is in
18 favor of the inclusion of the lands, the limits of the district shall by
19 order of the court be extended so as to embrace the lands.

20
21 SECTION 6. Arkansas Code § 14-117-401 is amended to read as follows:
22 14-117-401. Plans - Construction areas.

23 (a) Plans prepared by "local organizations," as defined by the
24 Watershed Protection and Flood Prevention Act, with assistance from the
25 United States Department of Agriculture, Soil Conservation Service, and plans
26 prepared by the Department of the Army, Chief of Engineers, or any other
27 federal or state agency may be adopted by the board of directors and when so
28 adopted shall become the plan of improvement of the district and may be used
29 in lieu of the engineer's survey and other requirements pertaining thereto
30 mentioned in § 14-117-202, or as a supplement to the preliminary survey and
31 report filed under the provisions of § 14-117-203. As soon as the board has
32 adopted its plan for improvement of the district and has ascertained the cost
33 thereof, it shall file the plan with the ~~chancery~~ or circuit clerk. The plans
34 shall be accompanied by a map showing the location of the proposed
35 improvements.

36 (b)(1) If, in the preparation of the final work plan, it is determined

1 by the board that the location and character of the works of improvement are
2 so varied that it would be impracticable to let contracts on all of them in
3 the same year, or if federal funds would not be available for all of them in
4 the same year, the final work plan may be segregated or divided into one (1)
5 or more units of construction constituting any work or group of works
6 proposed in the final work plan which can be constructed and operated as a
7 feasible unit alone and which can also be operated economically in
8 conjunction with the other proposed works in the plan.

9 (2) The final work plan shall indicate the area included in each
10 unit of construction and establish each such area as a separate construction
11 area, set forth the percentage or portion of the total project costs
12 allocated to each construction area, and delineate the lands in each
13 construction area which, on the basis of ~~preliminary estimates~~ appraisals,
14 will derive some benefit from the works of improvement to be installed
15 therein.

16 (3) Each construction area shall be appropriately identified by
17 name and number, such as "Construction Area No.".

18 (4) The determination of the board that the works of improvement
19 proposed in the final work plan, even though divided into units of
20 construction, do not lack unity or singleness of purpose and that the works
21 in each unit of construction confer some benefit on the lands therein shall
22 be final and conclusive.

23 (c)(1) The board of commissioners shall have the authority to let
24 contracts for carrying out the works of improvement on a construction area
25 basis, to borrow money and issue notes or bonds, and to assess benefits and
26 damages on a construction area basis.

27 (2) A separate assessment book shall be prepared and maintained
28 for each construction area.

29 (3) The tax levied under § 14-117-413 to secure and repay notes
30 or bonds shall be limited to and be a lien only on the lands located within
31 each construction area found to be benefited by the works installed in the
32 construction area, and that fact shall be indicated on the face of the notes
33 or bonds.

34 (4) All ~~published~~ notices with respect to the assessment of
35 benefits and damages and the borrowing of money and issuance of notes or
36 bonds shall list the lands according to the construction area in which they

1 are located.

3 SECTION 7. Arkansas Code § 14-117-402 is amended to read as follows:

4 14-117-402. Contracts between district and United States.

5 (a) The board is authorized to:

6 (1) Cooperate with the United States or any agency or
7 instrumentality thereof, hereinafter referred to as the United States, in the
8 development of plans for the construction, operation, and maintenance of any
9 facilities which the district is authorized to construct, operate, and
10 maintain;

11 (2) Negotiate a contract with the United States or give such
12 assurance as may be required by the United States for the construction,
13 operation, and maintenance of such facilities or any part thereof by the
14 United States.

15 (A) The contract or assurance may provide for the payment
16 by the district to the United States of the agreed costs thereof in the form
17 of construction charges, operation and maintenance charges, water rental, or
18 service charges.

19 (B) The construction charges may include the cost of works
20 of improvement for irrigation, drainage, flood control, prevention of seepage
21 of irrigated lands, prevention of erosion, floodwater, and sediment damages,
22 and the conservation, development, utilization, and disposal of water.

23 (C) The contract or assurance may provide for the
24 repayment of the various charges by the district primarily or exclusively
25 from revenue to be derived by the district from the sale under contract
26 between the district and its water users from the district works, with
27 payment to be made either in the form of agricultural products or cash.
28 However, if sufficient revenue is not available from this source or if the
29 district was organized primarily for purposes other than irrigation, then the
30 board shall have authority to assess benefits against the property within the
31 district for the purpose of repaying the obligations of the district under
32 the terms of the contract with or assurances given to the United States.

33 (D) The contract or assurance may provide that the
34 district shall furnish lands, easements, and rights-of-way and that property
35 so acquired by the district may be conveyed to the United States insofar as
36 the property may be required for the construction, operation, and maintenance

1 of works thereon by the United States for the benefit of the district.

2 (E) The contract or assurance may provide that the
3 district shall save and hold harmless the United States from any liability or
4 damages due to or arising out of the construction, operation, and maintenance
5 of any of the works.

6 (b) Until all moneys receivable by the United States from the district
7 under the contract or assurance shall have been fully paid, the boundaries of
8 the district shall not be altered without the consent of the United States.

9 (c) Any indebtedness to the United States shall be and remain a prior
10 charge against the lands of the district. It shall be paid by sale or rental
11 of water or service under contract with the landowners of the district, by
12 the annual levy of assessments by the commissioners against the district
13 lands or by advance toll charge, all as herein provided, and the obligation
14 to the United States shall so remain prior to any subsequent obligation of
15 the district.

16 (d)(1) After the terms of the contract or assurance have been
17 negotiated with the United States, the board shall petition the ~~chancery or~~
18 circuit court for the approval, if necessary, of a bond issue or other
19 evidence of indebtedness by the district for the purpose of paying for
20 preliminary expenses and the cost of acquisition of lands, easements, and
21 rights-of-way which may be needed in order to carry out the plan of
22 improvement.

23 (2) The ~~chancery or circuit clerk~~ board shall thereupon give
24 notice by ~~publication for two (2) weeks in some newspaper published and~~
25 ~~having a general circulation~~ registered mail, return receipt requested, to
26 all persons in the county or counties owning property within the district,
27 ~~ealling upon all persons owning property within the district~~ to appear before
28 the court upon some date not less than thirty (30) days nor more than ninety
29 (90) days from the date of the ~~last publication~~ notice, to be fixed by the
30 court, to show cause in favor of or against the issuance of bonds or other
31 evidence of indebtedness.

32 (3) If upon final hearing the court deems it to be in the best
33 interest of the owners of real property within the district, the court shall
34 enter an order authorizing the issuance of bonds or other evidence of
35 indebtedness. However, if it is determined by the court that a majority in
36 number of the holders of title to the lands within the district and the

1 owners of a majority in value of the lands therein, as shown by the last
2 assessment, oppose the issuance of bonds or other evidence of indebtedness,
3 the court shall enter a decree disapproving the issuance of bonds or other
4 evidence of indebtedness.

5 (4) The order of the court shall have the force of a judgment,
6 and any aggrieved party may appeal from the order as provided in § 14-117-
7 207.

8

9 SECTION 8. Arkansas Code § 14-117-405 is amended to read as follows:
10 14-117-405. Notice and hearing on assessment - Appeal.

11 (a) Upon the filing of the assessment, the ~~clerk~~ board shall give
12 notice of that fact by ~~publication for two (2) weeks in some weekly newspaper~~
13 issued registered mail, return receipt requested, to all persons owning
14 property in each of the counties in which the lands of the district may lie.

15 (b) The notice shall give a description of the lands assessed and
16 shall state that the owners of the lands, if they desire, may appear before
17 the court on a certain day, naming the day, and present complaints, if they
18 have any, against the assessment of any lands in the district.

19 (c) The day so named shall be more than ten (10) days after the ~~last~~
20 publication of the date of the notice.

21 (d) If no complaint is made as herein provided, the assessment as
22 deposited with the clerk shall be conclusive.

23 (e) Any owner of real property within the district who perceives
24 himself to be aggrieved by the assessment of benefits or damages or deems
25 that the assessment of any land in the district is inadequate shall present
26 his complaint to the court on the day named in the notice.

27 (f) The court shall consider the complaint and enter its finding
28 thereon, either confirming the assessment or increasing or diminishing the
29 assessment.

30 (g) Its findings shall have the force and effect of a judgment, from
31 which an appeal may be taken within thirty (30) days, either by the property
32 owners or by the board of the district.

33

34 SECTION 9. Arkansas Code § 14-117-407 is amended to read as follows:
35 14-117-407. Alteration of plans.

36 The board may at any time alter the plans for improvement, but before

1 constructing the work according to the changed plans, the changed plans shall
2 be filed with the circuit ~~or chancery~~ clerk and notice of the filing shall be
3 given by ~~publication for one (1) insertion in some newspaper issued and~~
4 ~~having a bona fide circulation~~ registered mail, return receipt requested, to
5 all persons owning property in each of the counties in which there are lands
6 within the district.

12 county where the district was first organized plans for additional work or
13 improvements in the district.

14 (b) The ~~clerk~~ board shall give notice by ~~publication for two (2) weeks~~
15 ~~in some newspaper or newspapers published and having a general circulation~~
16 registered mail, return receipt requested, to all persons in the county or
17 counties ~~within the district, calling upon all persons~~ owning property within
18 the district to appear before the court on some date not less than thirty
19 (30) days nor more than ninety (90) days from the ~~last publication~~ date of
20 the notice, to be fixed by the court, to show cause in favor of or against
21 the proposal.

22 (c) If, upon final hearing, the court deems it to the best interest of
23 the owners of real property within the district, the court shall enter an
24 order ratifying and approving the additional work or improvements. However,
25 if it is determined by the court that a majority in number of the holders of
26 title to the lands within the district and the owners of a majority in value
27 of the lands therein, as shown by the last assessment, oppose the proposal
28 for additional work or improvement, the court shall enter a decree
29 disapproving the proposed additional work or improvements.

30 (d) If the proposal is approved by the order of the court, the board
31 may proceed with the assessment of benefits in accordance with the provisions
32 of this chapter.

33 (e) From the action of the court any party aggrieved, including the

4 has been made as provided in this chapter, and levies of the taxes on the
5 reassessed benefits shall be made and collected in the same manner as levies
6 on the original assessment of benefits and shall be a first lien on the lands
7 of the district from the time they are made.
