Subtitle

14
15
16 TO PROVIDE ADDITIONAL AUTHORITY FOR THE
17 INVESTMENT OF PUBLIC FUNDS IN
18 CERTIFICATES OF DEPOSIT INSURED BY THE
19 FEDERAL DEPOSIT INSURANCE CORPORATION.

20
21
22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

23
24 SECTION 1. Arkansas Code Title 19, Chapter 8, Subchapter 1 is amended
25 to add an additional section to read as follows:

26 19-8-111. Additional authority for investment of public funds.

27 (a) Notwithstanding any law to the contrary, including, but not
28 limited to, §§ 19-8-103 and 19-8-105, the state or local government and any
29 trusts created under the Local Government Joint Investment Trust Act, § 19-8-
30 301 et seq., may invest public funds through an eligible bank under § 19-8-
31 105 if:

32 (1) The bank arranges for the deposit of all or a portion of the
33 funds in certificates of deposit in one (1) or more banks or savings and loan
34 associations located within the United States for the account of the state or
35 local government or trust;

36 (2) Each certificate of deposit is insured by the Federal

1 Deposit Insurance Corporation for one hundred percent (100%) of the principal
 2 and accrued interest of the certificate of deposit;

3 (3) The bank acts as custodian of the certificates of deposit
 4 issued for the account of the state or local government or trust and, as
 5 custodian, is charged with the care of the certificates of deposit and their
 6 segregation in appropriate records reflecting the total principal amount of
 7 the certificates of deposit for each custodial account; and

8 (4) At the time the funds are deposited and the certificates of
 9 deposit are issued the bank receives an amount of deposits from customers of
 10 other financial institutions located in the United States that is equal to or
 11 greater than the amount of the funds invested by the state or local
 12 government or trust.

13 (b) For any investment of public funds under this section, the
 14 provisions of §§ 19-8-106 and 19-8-107 apply only to the eligible bank
 15 selected under subsection (a) of this section.

16 (c) Additional security shall not be required for investments of
 17 public funds under this section.

18 (d) For purposes of this section, "local government" means any city,
 19 county, town, or other political subdivision of the State of Arkansas,
 20 including, but not limited to, any:

21 (1) School district or community college district;

22 (2) Improvement or other taxing or assessing district;

23 (3) Department, instrumentality, or agency of any city, county,
 24 or other political subdivision, including, but not limited to, any local fire
 25 and police pension or relief funds; and

26 (4) Local government association as defined in § 19-8-303.

27
 28 SECTION 2. EMERGENCY CLAUSE. It is found and determined by the
 29 General Assembly of the State of Arkansas that local communities and banks
 30 are often not receiving the benefits from the local investment of the
 31 communities' public funds due to the size of their deposits; that local
 32 communities can receive the benefits from the investment of local public
 33 funds while ensuring the safety and soundness of the investments by providing
 34 additional authority for the investment of those funds in accounts insured by
 35 the Federal Deposit Insurance Corporation; and that the exercise of the
 36 authority granted by this act is immediately necessary to enable local banks

1 to better serve their local communities. Therefore, an emergency is declared
2 to exist and this act being immediately necessary for the preservation of the
3 public peace, health, and safety shall become effective on:

4 (1) The date of its approval by the Governor;

5 (2) If the bill is neither approved nor vetoed by the Governor,
6 the expiration of the period of time during which the Governor may veto the
7 bill; or

8 (3) If the bill is vetoed by the Governor and the veto is
9 overridden, the date the last house overrides the veto.
