10           SECTION 2. EMERGENCY CLAUSE. It is found and determined by the

11 General Assembly of the State of Arkansas that breast, colorectal, and

12 prostate cancer affect more Arkansans each year; that many Arkansans die each

13 year from those diseases; that early detection and cancer research will save

14 or prolong lives; that increased funding for cancer detection and research is

15 necessary in order to prevent needless suffering and death; and that this act

16 is immediately necessary in order to provide needed funding as quickly as

17 possible. Therefore, an emergency is declared to exist and this act being

18 necessary for the preservation of the public peace, health, and safety shall

19 become effective on July 1, 2005.
