 30 the agency for which the appropriations in this Act are provided, and that in
 31 the event of an extension of the Regular Session, the delay in the effective
 32 date of this Act beyond July 1, 2005 could work irreparable harm upon the
 33 proper administration and provision of essential governmental programs.
 34 Therefore, an emergency is hereby declared to exist and this Act being
 35 necessary for the immediate preservation of the public peace, health and
 36 safety shall be in full force and effect from and after July 1, 2005.
