18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
19

20 SECTION 1. Arkansas Code Title 6, Chapter 17, Subchapter 7 is amended
21 to add an additional section to read as follows:

22 6-17-705. Statewide professional development program.

23 (a) There is created the Arkansas Online Professional Development
24 Initiative.

25 (b) Under the Arkansas Online Professional Development Initiative, the
26 Director of the Department of Education shall identify teacher professional
27 development needs in the state and prioritize the needs based on the areas of
28 professional development most needed to improve academic and teaching
29 knowledge and skills of certified personnel.

30 (c) Based on the needs and priorities identified in the assessment
31 under subsection (b) of this section, the Director of the Department of
32 Education shall work with the Director of the Educational Television Division
33 of the Department of Education and local school districts to develop a
34 statewide online professional development program that includes quality
35 professional development courses that:

36 (1) Are aligned to the required focus areas identified in the

1 State Board of Education rules governing professional development and the
2 Arkansas Comprehensive, Testing, Assessment, and Accountability Program;

3 (2) Are aligned with the clear, specific, and challenging
4 academic content areas as established by the Department of Education as
5 required under § 6-15-404;

6 (3) Are aligned with the state curriculum frameworks established
7 by the Department of Education for each class level or subject area included
8 in the respective professional development programs;

9 (4) Are researched-based and available from sources with
10 expertise in technology-delivered professional development courses;

11 (5) Are consistent with the Southern Regional Education Board
12 Multi-State Online Professional Development Standards in existence on January
13 1, 2005;

14 (6) Focus on improving student academic achievement by improving
15 a teacher's academic and teaching knowledge and skills; and

16 (7) Include an assessment at the end of the program designed to
17 measure each certified person's level of understanding and ability to
18 implement or apply the information presented in the program.

19 (d)(1)(A) The Arkansas Educational Television Network shall support
20 the delivery of the online professional development courses developed as part
21 of the Arkansas Online Professional Development Initiative to teachers and
22 administrators in each school in each school district in the state via the
23 Internet.

24 (B) In addition to the online courses developed as part of
25 the Arkansas Online Professional Development Initiative, the Arkansas
26 Educational Television Network may continue to deliver professional
27 development by broadcast, compressed, satellite, and face-to-face methods.

28 (2) The online professional development courses supported by the
29 Arkansas Educational Television Network or other providers shall include
30 online registration, course evaluation, and attendance and completion
31 documents.

32 (3) Any provider of technology-delivered professional
33 development under the Arkansas Online Professional Development Initiative
34 shall demonstrate an ability to successfully deliver technology-delivered
35 products and services.

36 (4) If a technology-delivered professional development course or

1 service that has been identified as needed under the assessment in subsection
2 (b) of this section is not available, the Arkansas Educational Television
3 Network or other providers shall work with the Department of Education to
4 develop a course or service to meet the identified need.

5 (e) The Department of Education shall determine the content of and
6 preapprove all professional development courses or programs delivered by the
7 Arkansas Educational Television Network that qualify for professional
8 development credit as required by the Standards for Accreditation of Arkansas
9 Public Schools or teacher licensure requirements.

10 (f) The Department of Education shall provide the staff and resources
11 needed to provide the quality leadership necessary to coordinate the Arkansas
12 Online Professional Development Initiative.

13 (g) The Arkansas Online Professional Development Initiative shall
14 include a method for the Department of Education, the Arkansas Educational
15 Television Network, school districts, schools, and certified personnel to
16 annually evaluate the effectiveness of the Arkansas Online Professional
17 Development Initiative and its on-line professional development course and
18 programs.

19 (h)(1) Beginning with the 2006-2007 school year, the Department of
20 Education may include as part of a school improvement plan guidelines for the
21 professional development programs to be delivered to the certified personnel
22 employed by a school in school improvement status or a school district in
23 school improvement status or academic distress.

24 (2)(A) As part of the school improvement plan, the Department of
25 Education may require the participation and completion of professional
26 development courses or programs by certified personnel in the school or
27 district as appropriate for the certified personnel's job assignments and
28 duties.

29 (B) Certified personnel employed by any school in school
30 improvement or school district in school improvement or academic distress
31 shall participate in, complete, and pass the assessment for the professional
32 development requirements included in the school's or district's school
33 improvement plan.
