21

22 SECTION 1. Arkansas Code Title 6, Chapter 18, Subchapter 4 is amended
23 to add an additional section to read as follows:

24 6-18-409. Remediation.

25 (a)(1) Beginning with the 2005-2006 school year, any student in grade
26 eleven (11) or the first semester of grade twelve (12) who has a sub-score of
27 less than nineteen (19) in any subsection tested on the American College Test
28 shall be provided with a State Board of Education approved intensive
29 remediation program specific to the identified deficiencies by a licensed
30 teacher certified to teach the subject area at the high school level.

31 (2) The cost of the remediation shall be the responsibility of

33 year in high school.

34 (3) The remediation shall be provided to the student during his

1 sub-score of less than nineteen (19) on an American College Test taken while
2 he or she was in grade eleven (11); or

15 (c) The State Board of Education shall adopt rules necessary for the
16 implementation of this section and shall develop a process for approving
17 remediation programs that are offered by school districts to meet the
18 requirements of this section.

19
20 SECTION 2. EMERGENCY CLAUSE. It is found and determined by the
21 General Assembly of the State of Arkansas that school districts shall be
22 accountable for preparing students for higher education; that students need
23 to be provided the benefits of this act beginning with the 2005-2006 school
24 year; and that this act is immediately necessary because the school districts
25 need sufficient time to hire additional staff and establish a schedule for
26 the programs required under this act. Therefore, an emergency is declared to
27 exist and this act being immediately necessary for the preservation of the
28 public peace, health, and safety shall become effective on:

29 (1) The date of its approval by the Governor;

30 (2) If the bill is neither approved nor vetoed by the Governor,
31 the expiration of the period of time during which the Governor may veto the
32 bill; or

33 (3) If the bill is vetoed by the Governor and the veto is
34 overridden, the date the last house overrides the veto.
