1 (b) State contracts shall be limited to those commodities on which, by

32 time and place;

33 (3) Unconditional acceptance of a bid without alteration or
34 correction, except as authorized in §§ 19-11-204 and 19-11-228 - 19-11-240;

35 (4) Award to the responsive and responsible bidder who has
36 submitted the lowest bid that meets the requirements and criteria set forth

1 in the invitation for bids; and

2 (5) Public notice.

3 (b) Contracts exceeding an estimated purchase price of twenty-five
4 thousand dollars (\$25,000) shall be awarded by competitive sealed bidding,
5 unless a determination is made in writing by the agency procurement official
6 or the State Procurement Director of the Office of State Procurement of the
7 Department of Finance and Administration that this method is not practicable
8 and advantageous and specifically states the reasons therefor. The director
9 may provide, by regulation, that it is not practicable to procure specified
10 types of commodities, technical and general services, or professional and
11 consultant services by competitive sealed bidding. Factors to be considered
12 in determining whether competitive sealed bidding is not practicable shall
13 include whether:

14 (1) Purchase descriptions are suitable for award on the basis of
15 the lowest evaluated bid price; and

16 (2) The available sources, the time and place of performance,
17 and other relevant circumstances are appropriate for the use of competitive
18 sealed bidding.

19 (c) Where it is considered impractical to initially prepare a purchase
20 description to support an award based on price, an invitation for bids may be
21 issued requesting the submission of unpriced technical proposals to be
22 followed by an invitation for bids limited to those bidders whose technical
23 proposals meet the requirements set forth in the first invitation.

24 (d) Notice inviting bids shall be given not fewer than five (5)
25 calendar days nor more than thirty (30) calendar days preceding the date for
26 the opening of bids by publishing such notice at least one (1) time in at
27 least one (1) newspaper having general circulation in the state or posting by
28 electronic media, but in all instances adequate notice shall be given. The
29 notice shall include a general description of the commodities, technical and
30 general services, or professional and consultant services to be procured and
31 shall state where invitations for bid may be obtained. The notice shall also
32 state the date, time, and place of bid opening.

33 (e) Bids shall be opened publicly in the presence of one (1) or more
34 witnesses at the time and place designated in the invitation for bids. Each
35 bid, together with the name of the bidder, shall be recorded and open to
36 public inspection.

1 (f)(1)(A) Bids shall be evaluated based on the requirements set forth
2 in the invitation for bids.

3 (B) These requirements may include criteria to determine
4 acceptability such as:

5 (i) Inspection;

6 (ii) Testing;

7 (iii) Quality;

8 (iv) Workmanship;

9 (v) Delivery;

10 (vi) Past performance; and

11 (vii) Suitability for a particular purpose and
12 criteria affecting price such as life-cycle or total ownership costs.

13 (2)(A) The invitation for bids shall set forth the evaluation
14 criteria to be used.

15 (B) No criteria may be used in bid evaluation that were
16 not set forth in the invitation for bids.

17 (g) Correction of patent or provable errors in bids which do not
18 prejudice other bidders, or withdrawal of bids, may be allowed only to the
19 extent permitted under regulations promulgated by the director and upon
20 written approval of the Attorney General or a designee of such officer. No
21 award shall be made on the basis of a corrected bid, if the corrected bid
22 exceeds the next lowest bid of a responsible bidder.

23 (h) The contract shall be awarded with reasonable promptness by
24 written notice to the lowest responsible bidder whose bid meets the
25 requirements and criteria set forth in the invitation for bids. In the event
26 all bids exceed available funds as certified by the appropriate fiscal
27 officer, the director or the head of a procurement agency is authorized in
28 situations where time or economic considerations preclude resolicitation of
29 work of a reduced scope to negotiate an adjustment of the bid price,
30 including changes in the bid requirements, with the lowest responsive and
31 responsible bidder, in order to bring the bid within the amount of available
32 funds. All other bidders requesting to be notified of the award decision
33 shall be promptly notified of the decision.

34 (i) An invitation for bid may be cancelled, or any or all bids may be
35 rejected in writing by the director or the agency procurement official.

36

27 aggrieved in connection with the solicitation or award of a contract may
28 protest to the State Procurement Director or the head of a procurement
29 agency. The protest shall be submitted in writing within fourteen (14)
30 calendar days after such aggrieved person knows or should have known of the
31 facts giving rise thereto.

33 either officer shall have the authority, prior to the commencement of an
34 action in court or any other action provided by law concerning the
