19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
20

21 SECTION 1. This section allows homeowners who are on a private
22 wastewater treatment system to have the option to attach spray heads and
23 lines to their existing wastewater treatment system or a new system under the
24 following conditions:

25 (1) The wastewater treatment system is located on a lot of two
26 (2) acres or more;

27 (2) The existing wastewater treatment system has a disinfection
28 system;

29 (3) The homeowner pays an additional twenty-five dollar (\$25.00)
30 permit fee over and above existing permit fees that shall be used to offset
31 expenses in maintaining a file for copies of yearly maintenance agreements to
32 be filed at the Department of Health; and

33 (4) The homeowner annually provides a copy of the maintenance
34 agreement covering the homeowners' wastewater treatment system with the
35 Department of Health.
