NOW THEREFORE,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE EIGHTY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

That the House Interim Committee on Public Health, Welfare, and Labor is requested to study the scope of practice of orthotists and prosthetists, how orthotists and prosthetists interrelate with other health care providers, and the need for licensing orthotists and prosthetists in order to adequately protect the citizens of the State of Arkansas.

BE IT FURTHER RESOLVED that the committee is requested to report its findings and recommendations to the Eighty-Sixth General Assembly.
