21 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
22

23 SECTION 1. (a) There is created the Manufactured Drug Inspection and
24 Cleanup Study Committee.

25 (b) The committee shall be composed of the directors or the directors'
26 designees of the following state agencies that shall jointly conduct the
27 study required under subsection (d) of this section:

28 (1) Arkansas Department of Environmental Quality;

29 (2) Department of Health;

30 (3) Arkansas Manufactured Home Commission;

31 (4) Arkansas Landlord's Association;

32 (5) State Crime Laboratory;

33 (6) Arkansas Drug Director; and

34 (7) Department of Arkansas State Police.

35 (c)(1) The following entities may participate in the committee:

36 (A) Arkansas Chiefs of Police Association;

- 1 (B) Arkansas Hospitality Association;
- 2 (D) Mortgage Bankers Association of Arkansas;
- 3 (E) Arkansas Realtors Association; and
- 4 (F) Arkansas Sheriffs Association.

5 (2) If any entity listed in subdivision (c)(1) of this section
6 joins the committee, that entity shall be included as a full partner in all
7 matters before the committee.

8 (d)(1) The committee shall conduct a study concerning inspection and
9 cleanup of properties where controlled substances have been manufactured.

10 (2) The study shall determine what guidelines should be
11 established for inspection and cleanup of structures where controlled
12 substances, as defined in the Uniform Controlled Substances Act, § 5-64-101
13 et seq., have been manufactured and initial cleanup has been performed by law
14 enforcement agencies, including:

15 (A) Certification and guidelines for private entities that
16 undertake inspections of contaminated properties;

17 (B) Certification and guidelines for private entities that
18 undertake remediation or removal, or both, of contaminated materials from
19 contaminated properties;

20 (C) Guidelines for appropriate recordkeeping by the
21 Department of Health or another appropriate governmental entity with respect
22 to:

23 (i) A listing of contaminated properties;

24 (ii) Inclusion of property on the contaminated
25 properties list;

26 (iii) The results of cleanup of contaminated
27 properties and removal of a structure from the contaminated property list;
28 and

29 (iv) Access to the records created under
30 subdivisions (d)(2)(C)(i) - (iii) of this section by potential purchasers of
31 contaminated properties; and

32 (D) Guidelines for steps to be taken by property owners
33 for removal of a structure from the contaminated property list.

34 (e) The committee shall report its findings to the Legislative Council
35 on or before January 1, 2006.

36 (2) The report shall include, but not be limited to:

1 (A) A summary of all of the certification and guidelines
2 developed under subsection (d) of this section; and

3 (B) A determination concerning whether, with respect to
4 inspection and cleanup of contaminated properties:

5 (i) Legislation should be enacted by the General
6 Assembly; or

7 (ii) Regulatory action should be taken by the
8 Department of Health or another appropriate governmental entity under
9 existing law.
