## For An Act To Be Entitled

10 AN ACT TO CREATE THE ARKANSAS CHILD DEATH REVIEW  
11 PANEL; AND FOR OTHER PURPOSES.  
12

### Subtitle

14 TO CREATE THE ARKANSAS CHILD DEATH  
15 REVIEW PANEL.  
16  
17

18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
19

20 SECTION 1. Arkansas Code Title 20, Chapter 27, is amended to add an  
21 additional subchapter to read as follows:

22 20-27-1701. Legislative findings and purpose.

23 (a) The General Assembly finds that:

24 (1) The unexpected death of infants and children is an important  
25 public health concern;

26 (2) The collection of data on the causes of unexpected deaths  
27 will enable the State of Arkansas to protect some infants and children from  
28 preventable deaths and help reduce the incidence of these deaths; and

29 (3) Multi-disciplinary and multi-agency review of infant and  
30 child deaths can assist this state in investigating infant and child deaths,  
31 developing a greater understanding of the incidence and causes of these  
32 deaths and the methods for prevention and identifying the gaps in services to  
33 children and families.

34 (b) The purpose of this subchapter is to:

35 (1) Identify the causes of death of children under eighteen (18)  
36 years of age; and

1           (2) Reduce the incidence of injury and death to children by  
2 requiring a death review to be performed in all cases of unexpected deaths of  
3 children under eighteen (18) years of age.

4  
5           20-27-1702. Definitions.

6           As used in this subchapter:

7           (1) "Child" means a person under eighteen (18) years of age; and

8           (2) "Unexpected death" means:

9                   (A) A death involving a child who has not been in the care  
10 of a licensed physician for treatment of an illness that is the cause of  
11 death;

12                   (B) A clinical diagnosis of death due to Sudden Infant  
13 Death Syndrome; or

14                   (C) A death due to an unknown cause.

15  
16           20-27-1703. Arkansas Child Death Review Panel - Creation.

17           (a) The Arkansas Child Death Review Panel is created within the  
18 Arkansas Child Abuse/Rape/Domestic Violence Commission.

19           (b) The review panel shall consist of the following members:

20                   (1) A representative from the State Medical Examiner's Office;

21                   (2) A coroner who is registered with the National Board of  
22 Medicolegal Death Investigators;

23                   (3) A representative from the Center for Health Statistics of  
24 the Department of Health;

25                   (4) A representative from the Crimes Against Children Division  
26 of the Department of Arkansas State Police;

27                   (5) A representative from the Division of Children and Family  
28 Services of the Department of Human Services;

29                   (6) A representative from the Arkansas Child Abuse/Rape/Domestic  
30 Violence Commission;

31                   (7) A physician who specializes in child abuse;

32                   (8) A representative from the College of Public Health at the  
33 University of Arkansas for Medical Sciences;

34                   (9) A representative from the Office of the Prosecutor  
35 Coordinator; and

36                   (10) Any other individuals the review panel determines are

1 necessary for a review.

2  
3 20-27-1704. Duties.

4 The Arkansas Child Death Review Panel may:

5 (1) Establish local and regional review panels and delegate some  
6 or all of its responsibilities under this subchapter;

7 (2) Analyze data available from state agencies or other agencies  
8 that may decrease unexpected deaths of children;

9 (3) Collect, review, and analyze all death investigation reports  
10 prepared under this subchapter and other appropriate information to prepare  
11 reports for the General Assembly concerning the causes of unexpected deaths  
12 of children and methods to decrease those deaths;

13 (4) Identify trends relevant to unexpected deaths of children;

14 (5) Educate the citizens of Arkansas regarding the incidence and  
15 causes of injury to and death of children and of the public's role to assist  
16 in reducing this risk;

17 (6) Establish training criteria for county coroners; and

18 (7) Determine the information to be included in a child death  
19 investigation report and provide this information to county coroners, medical  
20 providers, and other agencies to be used in preparing a death investigation  
21 report.

22  
23 20-27-1705. Investigation.

24 (a)(1) A copy of a child death investigation report required under  
25 this subchapter, including information from law enforcement agencies,  
26 coroners, fire departments, medical providers, or any other information  
27 relative to the death investigation shall be provided to the Arkansas Child  
28 Death Review Panel within thirty (30) days from the date the review panel  
29 requests the information.

30 (2) Subdivision (a)(1) of this section is not applicable to a  
31 death that is under criminal investigation, prosecution, or has been  
32 adjudicated in a court of law.

33 (b)(1) The review panel or a local or regional review panel may access  
34 medical records and vital records in the custody of physicians, hospitals,  
35 clinics, other health care providers, and the Department of Health concerning  
36 the unexpected death of the child being investigated.

1           (2) The review panel may request any other information,  
2 documents, or records pertaining to the completed investigation of unexpected  
3 deaths of children.

4           (c) Nothing in this subchapter shall alter or restrict the authority  
5 or jurisdiction of a county coroner.

6           (d) When the review panel determines that a parent or guardian was  
7 treating a child according to the tenets and practices of a recognized  
8 religious method of treatment that has a reasonable proven record of success,  
9 the review panel is not required to make a finding of negligent treatment or  
10 maltreatment.

11  
12           20-27-1706. Records – Confidentiality.

13           (a)(1) All records, reports, and other information obtained by the  
14 Arkansas Child Death Review Panel or local or regional review panel and the  
15 result of any child death investigation report shall be confidential.

16           (2) The records, reports, and other information obtained by the  
17 review panel or local or regional review panel shall not be:

18                   (A) Subject to a subpoena;

19                   (B) Disclosed or compelled to be produced in any civil,  
20 administrative, or other proceeding; or

21                   (C) Admissible as evidence in any civil, administrative,  
22 or other proceeding.

23           (3) The records, reports, and other information obtained by the  
24 review panel or local or regional review panel shall be available to law  
25 enforcement agencies and prosecuting attorneys.

26           (b) Any person, agency, or entity furnishing confidential information  
27 shall not be liable for releasing the confidential information if the  
28 information was furnished in good faith under the provisions of this  
29 subchapter.

30           (c) The review panel may publish statistical compilations reflecting  
31 unexpected deaths of children that do not identify individual cases,  
32 physicians, hospitals, clinics, or other health care providers.

33           (d)(1) State, local, or regional review panel members shall be immune  
34 from civil and criminal liability in connection with their good faith  
35 participation on the review panel and all activities related to the review  
36 panel.
