SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that state funds are needed for public school facility improvements; that requests for appropriations from the General Improvement Fund for uses other than necessary state agency operations and management should be carefully reviewed before funds are appropriated in order to ensure that the use of state funds is for the public benefit; that entities receiving funds from the General Improvement Fund must be accountable for expenditures of funds; and that this act is immediately necessary to provide for the appropriate review and control of appropriations during the current legislative session. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
