15 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
16 General Assembly of the State of Arkansas that the Arkansas Supreme Court has
17 determined that current public school academic facilities in the State of
18 Arkansas are inadequate and inequitable; that the General Assembly
19 established the Joint Committee on Educational Facilities to inventory the
20 current condition of school facilities and recommend methods for bringing
21 those facilities into conformity with the court's constitutional
22 expectations; that one of the recommendations of the joint committee is to
23 establish a new advisory body to evaluate distance learning capabilities in
24 the public schools; that the establishment of the Distance Learning
25 Coordinating Council satisfies the recommendations of the joint committee;
26 and that in order to promote the state's efforts to satisfy constitutional
27 expectations with regard to an adequate education, the new coordinating
28 council needs to begin work with the fiscal year beginning July, 2005.
29 Therefore, an emergency is declared to exist and this act being immediately
30 necessary for the preservation of the public peace, health, and safety shall
