25
26 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

27
28 SECTION 1. Arkansas Code § 20-24-101, concerning definitions, is
29 amended to read as follows:

30 As used in this chapter, unless the context otherwise requires:

31 (1) "Alteration" means any change made to an existing ~~elevator,~~
32 ~~dumbwaiter, or escalator~~ conveyance or to its hoistway, enclosure, or doors
33 other than the repair or replacement of damaged, worn, or broken parts
34 necessary for normal operation. The changing of the speed governor shall be
35 considered an alteration;

36 (2) "Authorized representative" means the building department of

1 cities, towns, or other governmental subdivisions designated by the
2 Department of Labor to enforce certain provisions of this chapter;

3 (3) "Board" means the Elevator Safety Board described in § 20-
4 24-105;

5 (4) "Conveyance" means an elevator, dumbwaiter, escalator,
6 moving sidewalk, automatic people mover, platform lift, or stairway
7 chairlift.

8 ~~(4)(5)~~ "Director" means the Director of the Department of Labor;

9 ~~(5)(6)~~ "Department" means the Department of Labor;

10 ~~(6)(7)~~ "Dormant elevator, dumbwaiter, or escalator" means an
11 elevator or dumbwaiter whose cables have been removed, whose car and
12 counterweight rest at the bottom of the shaftway, and whose shaftway doors
13 are permanently boarded up or barricaded on the inside or an escalator whose
14 main power feed lines have been disconnected;

15 ~~(7)(8)~~ "Dumbwaiter" means a hoisting and lowering mechanism,
16 driven by mechanical power, equipped with a car which moves in guides in a
17 substantially vertical direction, the floor area of which does not exceed
18 nine (9) square feet, whose total compartment height does not exceed four
19 feet (4'), the capacity of which does not exceed five hundred pounds (500
20 lbs.), and which is used exclusively for carrying freight;

21 ~~(8)(9)~~ "Elevator" means a hoisting and lowering mechanism
22 equipped with a car or platform which moves in guides in a substantially
23 vertical direction;

24 (A) The term "elevator" shall not include a dumbwaiter,
25 conveyor, chain or bucket hoist, construction hoist, or similar devices used
26 for the primary purpose of elevating or lowering materials, nor shall it
27 include tiering, piling, feeding, or similar machines or devices giving
28 service within only one (1) story;

29 (B) The term "power elevator" shall mean those driven by
30 the application of energy other than hand or gravity;

31 (C) "Hand elevators" shall mean those driven by manual
32 power;

33 (D) The term "elevator" shall include vertical wheelchair
34 lifts, inclined wheelchair lifts, and inclined stairway chairlifts installed
35 ~~in locations other than in or at~~ any location including a private, single-
36 family dwelling for use by individuals with physical disabilities;

1 ~~(9)~~(10) "Escalator" means a power-driven, inclined, continuous
2 stairway or runway used for raising or lowering passengers;

3 ~~(10)~~(11) "Freight elevator" means an elevator used for carrying
4 freight and on which only the operator and the persons necessary for loading
5 and unloading and such other designated persons as may be authorized by the
6 rules of the board are permitted to ride;

7 ~~(11)~~(12) "New installation", "new elevator", "dumbwaiter", ~~or~~
8 "escalator", or "new conveyance" ~~mean~~ means a complete elevator, dumbwaiter,
9 ~~or~~ escalator, or other conveyance installation, the application for the
10 permit for the installation or relocation of which is filed on or after the
11 effective date of application of the rules and regulations adopted by the
12 board as provided in § 20-24-106(a)-(c). All other elevators, dumbwaiters, ~~or~~
13 escalators, or other conveyances shall be deemed to be existing
14 installations; and

15 ~~(12)~~(13) "Passenger elevator" means an elevator that is used to
16 carry persons other than the operator and persons necessary for loading and
17 unloading and such other designated persons as may be authorized by the rules
18 of the board.

19

20 SECTION 2. Arkansas Code § 20-24-106(a), concerning the powers and
21 duties of the Elevator Safety Board, is amended to read as follows:

22 (a) It shall be the duty of the Elevator Safety Board to license
23 elevator inspectors, elevator mechanics, and elevator contractors as provided
24 in this chapter and to revoke or suspend any such license for cause.

25

26 SECTION 3. Arkansas Code § 20-24-108 is amended to read as follows:

27 20-24-108. ~~Inspector—License~~ Licenses required - Qualifications.

28 ~~(a)(1)~~ The inspections of ~~elevators, escalators, and dumbwaiters~~
29 conveyances required by the provisions of this chapter shall be made by an
30 elevator inspector licensed by the Elevator Safety Board.

31 ~~(b)(2)~~ To be eligible for a license to inspect ~~elevators~~ conveyances,
32 the applicant or licensee shall:

33 ~~(1)(A)~~ Have experience in designing, installing, maintaining, or
34 inspecting ~~elevators, escalators, and dumbwaiters~~ conveyances to the extent
35 established by regulation of the board;

36 ~~(2)(B)~~ Successfully pass a written examination approved by the

1 board;

2 (C) Submit with his or her application for a license or
3 renewal of a license proof of an insurance policy:

4 (i) Issued by an insurance company authorized to do
5 business in Arkansas; and

6 (ii) Providing general liability coverage for at
7 least one million dollars (\$1,000,000) for injury or death of a person and
8 five hundred thousand dollars (\$500,000) for property damage;

9 and

10 ~~(3)(D)(i)~~ Have no financial interest in any business or
11 operation which manufactures, installs, repairs, modifies, ~~or~~ services, or
12 other elevators, escalators, or dumbwaiters conveyances.

13 (ii) This qualification does not prohibit employees
14 of insurance companies insuring ~~elevators, escalators, and dumbwaiters~~
15 conveyances from obtaining a license as an elevator inspector.

16 ~~(e) The board may license a person as an elevator inspector without~~
17 ~~examination if he holds a license as an inspector of elevators for a state or~~
18 ~~city that has a standard of examination substantially equal to that provided~~
19 ~~for in this section.~~

20 (b)(1)(A) Unless working under the direct supervision of a licensed
21 elevator contractor, no person shall:

22 (i) Erect, construct, alter, replace, maintain,
23 remove, or dismantle any conveyance contained within a building or structure
24 without an elevator mechanic license; or

25 (ii) Wire any conveyance from the mainline feeder
26 terminals on the controller without an elevator mechanic license.

27 (B) A licensed elevator mechanic is not required for
28 removing or dismantling a conveyance:

29 (i) Destroyed as the result of the complete
30 demolition of a secured building or structure; or

31 (ii) When the demolition to the hoistway or wellway
32 prevents access without endangerment.

33 (2) To be eligible for an elevator mechanic license, the
34 applicant or licensee shall:

35 (A) Have three (3) years of verifiable work experience in
36 constructing, maintaining, servicing, and repairing conveyances to the extent

1 established by regulation of the board; and

2 (B) Successfully pass a written examination approved by
 3 the board.

4 (c)(1) Except as provided in subsections (a) and (b) of this section,
 5 no person other than an elevator contractor may install, construct, alter,
 6 service, repair, test, maintain, or perform electrical work on a conveyance.

7 (2) To be eligible for an elevator mechanic license, the
 8 applicant or licensee shall:

9 (A) Have in his or her employment a properly licensed
 10 elevator mechanic; and

11 (B) Submit with his or her application for a license or
 12 renewal of a license proof of an insurance policy:

13 (i) Issued by an insurance company authorized to do
 14 business in Arkansas; and

15 (ii) Providing general liability coverage for at
 16 least one million dollars (\$1,000,000) for injury or death of a person and
 17 five hundred thousand dollars (\$500,000) for property damage.

18
 19 SECTION 4. Arkansas Code § 20-24-109 is amended to read as follows:

20 20-24-109. ~~Inspector~~— Application and examination for license licenses
 21 - Issuance and Renewal.

22 (a)(1) A written application for the examination and license for
 23 elevator inspector, elevator mechanic, or elevator contractor shall be made
 24 upon a form to be supplied by the Elevator Safety Board upon request and
 25 shall be accompanied by a statement of the applicant’s experience together
 26 with an examination fee not to exceed the sum of one hundred fifty dollars
 27 (\$150).

28 ~~(b)(2)~~ (2) The examination shall be given not more than six (6) months
 29 from the date when the applicant makes the application.

30 ~~(e)(3)(A)~~ (3)(A) If the applicant is qualified and successfully passes the
 31 applicable examination specified in this section, then upon payment of a
 32 license fee, he or she shall be entitled to:

33 (i) a A one-year license as an elevator inspector or
 34 elevator contractor; or

35 (ii) A two-year license as an elevator mechanic.

36 (B) The license fee and the license renewal fee shall be

1 established by the board, but in no event shall ~~it~~ either fee exceed the sum
 2 of ~~fifty dollars (\$50.00)~~ one thousand dollars (\$1,000). ~~The license shall~~
 3 ~~be renewed annually upon the payment to the board of a fee not to exceed the~~
 4 ~~sum of fifty dollars (\$50.00).~~

5 ~~(d)(1)(4)(A)~~ There shall be no limit to the number of times an
 6 applicant may seek a license as provided in this section, except that a
 7 rejected applicant may not make application within six (6) months from the
 8 date on which he or she is notified that he or she has failed to qualify.

9 ~~(2)(B)~~ A license fee shall be paid for the initial
 10 examination and each subsequent examination.

11 (b)(1) The board may license a person as an elevator inspector,
 12 elevator mechanic, or elevator contractor without examination if he or she
 13 holds an equivalent license for a state or city that has a standard of
 14 examination substantially equal to that provided for in § 20-24-108.

15 (2) For a period of one (1) year after the effective date of
 16 this section, the board shall issue a mechanic's license to an applicant who
 17 provides verifiable proof that he or she worked without direct supervision as
 18 an elevator constructor or maintenance or repair person for at least three
 19 (3) years before the effective date of this section.

20 (c) The board shall renew a license after receiving:

21 (1) Payment of the license renewal fee; and

22 (2) Submission of proof that the licensee has satisfied the
 23 continuing education requirements established by rule or regulation of the
 24 board.

25 (d)(1) Whenever an emergency exists and the board determines that
 26 there are not enough licensed elevator mechanics to perform the work
 27 necessary to provide for the safety of life, limb, and property and to
 28 protect the public welfare, the board may waive the requirements of this
 29 subchapter and issue an emergency elevator mechanic license that may be valid
 30 for no longer than thirty (30) days.

31 (2) Whenever the board determines that there are not enough
 32 licensed elevator mechanics available to perform work necessary for the
 33 completion of a project for which the Department of Labor has issued a permit
 34 under § 20-24-115(d), the board may waive the requirements of this subchapter
 35 and issue a temporary elevator mechanic license that may be valid for no
 36 longer than thirty (30) days.

1 (3) The board may renew an emergency or temporary license if the
2 circumstances justifying its original issuance continue.
