19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
20

21 SECTION 1. Arkansas Code Title 18 is amended to add a new chapter to
22 read as follows:

23 18-3-101. Statutory rule against perpetuities.

24 (a) A nonvested property interest is invalid unless:

25 (1) when the interest is created, it is certain to vest or
26 terminate no later than 21 years after the death of an individual then alive;
27 or

28 (2) the interest either vests or terminates within 90 years
29 after its creation.

30 (b) A general power of appointment not presently exercisable because
31 of a condition precedent is invalid unless:

32 (1) when the power is created, the condition precedent is
33 certain to be satisfied or becomes impossible to satisfy no later than
34 21 years after the death of an individual then alive; or

35 (2) the condition precedent either is satisfied or becomes
36 impossible to satisfy within 90 years after its creation.

1 (c) A nongeneral power of appointment or a general testamentary power
2 of appointment is invalid unless:

3 (1) when the power is created, it is certain to be irrevocably
4 exercised or otherwise to terminate no later than 21 years after the death of
5 an individual then alive; or

6 (2) the power is irrevocably exercised or otherwise terminates
7 within 90 years after its creation.

8 (d) In determining whether a nonvested property interest or a power of
9 appointment is valid under subdivision (a)(1), (b)(1), or (c)(1) of this
10 section, the possibility that a child will be born to an individual after the
11 individual's death is disregarded.

12 (e) If, in measuring a period from the creation of a trust or other
13 property arrangement, language in a governing instrument (i) seeks to
14 disallow the vesting or termination of any interest or trust beyond, (ii)
15 seeks to postpone the vesting or termination of any interest or trust until,
16 or (iii) seeks to operate in effect in any similar fashion upon, the later of
17 (A) the expiration of a period of time not exceeding 21 years after the death
18 of the survivor of specified lives in being at the creation of the trust or
19 other property arrangement or (B) the expiration of a period of time that
20 exceeds or might exceed 21 years after the death of the survivor of lives in
21 being at the creation of the trust or other property arrangement, that
22 language is inoperative to the extent it produces a period of time that
23 exceeds 21 years after the death of the survivor of the specified lives.

24
25 18-3-102. When nonvested property interest or power of appointment
26 created.

27 (a) Except as provided in subsections (b) and (c) of this section and
28 in § 18-3-105(a), the time of creation of a nonvested property interest or a
29 power of appointment is determined under general principles of property law.

30 (b) For purposes of this chapter, if there is a person who alone can
31 exercise a power created by a governing instrument to become the unqualified
32 beneficial owner of (i) a nonvested property interest or (ii) a property
33 interest subject to a power of appointment described in § 18-3-101(b) or §
34 18-3-101(c), the nonvested property interest or power of appointment is
35 created when the power to become the unqualified beneficial owner terminates.

36 (c) For purposes of this chapter, a nonvested property interest or a

1 power of appointment arising from a transfer of property to a previously
2 funded trust or other existing property arrangement is created when the
3 nonvested property interest or power of appointment in the original
4 contribution was created.

5
6 18-3-103. Reformation.

7 Upon the petition of an interested person, a court shall reform a
8 disposition in the manner that most closely approximates the transferor's
9 manifested plan of distribution and is within the 90 years allowed by § 18-3-
10 101(a)(2), § 18-3-101(b)(2), or § 18-3-101(c)(2) if:

11 (1) a nonvested property interest or a power of appointment
12 becomes invalid under § 18-3-101;

13 (2) a class gift is not but might become invalid under § 18-3-
14 101 and the time has arrived when the share of any class member is to take
15 effect in possession or enjoyment; or

16 (3) a nonvested property interest that is not validated by § 18-
17 3-101(a)(1) can vest but not within 90 years after its creation.

18
19 18-3-104. Exclusions from statutory rule against perpetuities.

20 Section 18-3-101 does not apply to:

21 (1) a nonvested property interest or a power of appointment
22 arising out of a nondonative transfer, except a nonvested property interest
23 or a power of appointment arising out of (i) a premarital or postmarital
24 agreement, (ii) a separation or divorce settlement, (iii) a spouse's
25 election, (iv) a similar arrangement arising out of a prospective, existing,
26 or previous marital relationship between the parties, (v) a contract to make
27 or not to revoke a will or trust, (vi) a contract to exercise or not to
28 exercise a power of appointment, (vii) a transfer in satisfaction of a duty
29 of support, or (viii) a reciprocal transfer;

30 (2) a fiduciary's power relating to the administration or
31 management of assets, including the power of a fiduciary to sell, lease, or
32 mortgage property, and the power of a fiduciary to determine principal and
33 income;

34 (3) a power to appoint a fiduciary;

35 (4) a discretionary power of a trustee to distribute principal
36 before termination of a trust to a beneficiary having an indefeasibly vested

1 interest in the income and principal;

2 (5) a nonvested property interest held by a charity, government,
3 or governmental agency or subdivision, if the nonvested property interest is
4 preceded by an interest held by another charity, government, or governmental
5 agency or subdivision;

6 (6) a nonvested property interest in or a power of appointment
7 with respect to a trust or other property arrangement forming part of a
8 pension, profit-sharing, stock bonus, health, disability, death benefit,
9 income deferral, or other current or deferred benefit plan for one or more
10 employees, independent contractors, or their beneficiaries or spouses, to
11 which contributions are made for the purpose of distributing to or for the
12 benefit of the participants or their beneficiaries or spouses the property,
13 income, or principal in the trust or other property arrangement, except a
14 nonvested property interest or a power of appointment that is created by an
15 election of a participant or a beneficiary or spouse; or

16 (7) a property interest, power of appointment, or arrangement
17 that was not subject to the common-law rule against perpetuities or is
18 excluded by another statute of this State.

19
20 18-3-105. Prospective application.

21 (a) Except as extended by subsection (b) of this section, this chapter
22 applies to a nonvested property interest or a power of appointment that is
23 created on or after the effective date of this chapter. For purposes of this
24 section, a nonvested property interest or a power of appointment created by
25 the exercise of a power of appointment is created when the power is
26 irrevocably exercised or when a revocable exercise becomes irrevocable.

27 (b) If a nonvested property interest or a power of appointment was
28 created before the effective date of this chapter and is determined in a
29 judicial proceeding, commenced on or after the effective date of this
30 chapter, to violate this State's rule against perpetuities as that rule
31 existed before the effective date of this chapter, a court upon the petition
32 of an interested person may reform the disposition in the manner that most
33 closely approximates the transferor's manifested plan of distribution and is
34 within the limits of the rule against perpetuities applicable when the
35 nonvested property interest or power of appointment was created.

1 18-3-106. Short title.

2 This chapter may be cited as the Uniform Statutory Rule Against
3 Perpetuities.

5 18-3-107. Uniformity of application and construction.

6 This chapter shall be applied and construed to effectuate its general
7 purpose to make uniform the law with respect to the subject of this chapter
8 among states enacting it.

10 18-3-108 [Reserved.]

12 18-3-109. Supersession of common law.

13 This chapter supersedes the rule of the common law known as the rule
14 against perpetuities.

13 (2) The net income from the fund shall be paid to and be

16 cemetery and for no other purpose.

17 (3) The principal of the fund shall be invested and remain
18 invested in such securities and funds as are permitted by the laws of
19 Arkansas for the investment of policy reserves of life insurance companies as
20 set forth in § 23-60-101 et seq., and in the common trust funds of state or
21 national banks.

22 (4) However, any permanent maintenance fund having assets of

29 (5) In investing these funds, the trustee shall exercise the
30 judgment and care under the circumstances then prevailing which persons of
31 prudence, discretion, and intelligence exercise in management of their own
32 affairs, not in regard to speculation, but in regard to the permanent
33 disposition of their funds, considering the probable income and capital
34 appreciation as well as the probable safety of their capital.

33 ~~under the Rule Against Perpetuities; or~~

34 ~~(4)~~(3) the application of a 120-hour requirement of survival to
35 multiple governing instruments would result in an unintended failure or
