18 (b)(1)(A) Upon the death of a retirant whose annuity is paid by the

7 ~~(d)(c)~~ The exact amount of the lump-sum payments shall be set annually
 8 by rules and regulations of the board as it determines is actuarially
 9 appropriate for the system. The board is authorized by this subsection to set
 10 the level of these benefits to the current members and retirants where the

27 (f) The board shall implement this benefit provision for lump-sum
 28 payments by either making the lump-sum payments directly from the system or
 29 by purchasing a group life insurance policy for the benefit of system
 30 members, whichever is the most cost effective.

31
 32 SECTION 2. EMERGENCY CLAUSE. It is found and determined by the
 33 General Assembly of the State of Arkansas that the current laws applicable to
 34 the Arkansas Teacher Retirement System regarding lump sum benefit payments
 35 require revision; that revisions are necessary to ensure the effective and
 36 efficient operation of the system; and that the most effective time to make

1 changes to the retirement system is at the beginning of the state's fiscal
2 year. Therefore, an emergency is declared to exist and this act being
3 immediately necessary for the preservation of the public peace, health, and
4 safety shall become effective on July 1, 2007.
