20 that all Arkansas school children, especially those with eye and vision
21 problems, have an equal opportunity to access the learning opportunities
22 available through a public school education; and that this act is immediately
23 necessary because any delay in the effective date of this act would work
24 irreparable harm on the ability of the commission to carry out its
25 responsibilities in service to Arkansas' public school system. Therefore, an
26 emergency is declared to exist, and this act being necessary for the
