2 obligations otherwise incurred in relation to the project or projects  
3 described herein in excess of the State Treasury funds actually available  
4 therefor as provided by law. Provided, however, that institutions and  
5 agencies listed herein shall have the authority to accept and use grants and  
6 donations including Federal funds, and to use its unobligated cash income or  
7 funds, or both available to it, for the purpose of supplementing the State  
8 Treasury funds for financing the entire costs of the project or projects

23 was adopted, as evidenced by the Agency Requests, Executive Recommendations  
24 and Legislative Recommendations contained in the budget manuals prepared by  
25 the Department of Finance and Administration, letters, or summarized oral  
26 testimony in the official minutes of the Arkansas Legislative Council or  
27 Joint Budget Committee which relate to its passage and adoption.

28  
29       SECTION 4. EMERGENCY CLAUSE. It is found and determined by the General  
30 Assembly, that the Constitution of the State of Arkansas prohibits the  
31 appropriation of funds for more than a two (2) year period; that the  
32 effectiveness of this Act on July 1, 2007 is essential to the operation of  
33 the agency for which the appropriations in this Act are provided, and that in  
34 the event of an extension of the Regular Session, the delay in the effective  
35 date of this Act beyond July 1, 2007 could work irreparable harm upon the  
36 proper administration and provision of essential governmental programs.

1 Therefore, an emergency is hereby declared to exist and this Act being  
2 necessary for the immediate preservation of the public peace, health and  
3 safety shall be in full force and effect from and after July 1, 2007.
