2 licensed by the division for the purpose of transporting individuals with
3 disabilities, the sum of\$1,300,000.
4

5 SECTION 2. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
6 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. STATEWIDE
7 EXCELLENCE INITIATIVE FOR DEVELOPMENTAL DISABILITY SERVICES. (a) As stated in
8 Ark. Code Ann. §20-48-701, the General Assembly has determined that nonprofit
9 community programs licensed by the Division of Developmental Disabilities of
10 the Department of Health and Human Services are quasi-governmental
11 instrumentalities of the state that provide support and services to
12 individuals who have developmental disabilities or delays who would otherwise
13 require support and services in facilities owned and operated by the State of
14 Arkansas. The statewide network of nonprofit community programs enhances the
15 state’s ability to deliver services to individuals with developmental
16 disabilities or delays in the least restrictive setting as required by the
17 U.S. Supreme Court and federal statutory law. In order to promote ongoing
18 efforts to improve service delivery and scope of services to individuals with
19 developmental disabilities or delays, the General Assembly establishes the
20 Statewide Excellence Initiative for Developmental Disabilities Services.

21 (b) The Statewide Excellence Initiative for Developmental Disabilities
22 Services encourages nonprofit community programs licensed by the division to
23 improve service delivery and scope of services to individuals with
24 developmental disabilities or delays by:

25 (1)(A) Applying for and attaining national accreditation.

26 (B) National accrediting organization under this section include
27 without limitation:

28 (i) The Commission for the Accreditation of Rehabilitation
29 Facilities;

30 (ii) The Joint Commission on Accreditation; or

31 (iii) Any other similar national accrediting organization
32 recognized by the division; and

33 (2) Purchasing vehicles in conjunction with the Arkansas Transit
34 Association for the purpose of improving transportation options for
35 individuals with developmental disabilities or delays.

36 (c) A nonprofit community program licensed by the division may submit a

1 request for and receive a grant in the amount of thirteen thousand dollars
 2 (\$13,000) to be used in support of an activity or activities listed in
 3 subsection (b) of this section.

4 (d) The Statewide Excellence Initiative for Developmental Disabilities
 5 Services shall expire on June 30, 2009.

6
 7 SECTION 3. DISBURSEMENT CONTROLS. (A) No contract may be awarded nor
 8 obligations otherwise incurred in relation to the project or projects
 9 described herein in excess of the State Treasury funds actually available
 10 therefor as provided by law. Provided, however, that institutions and
 11 agencies listed herein shall have the authority to accept and use grants and
 12 donations including Federal funds, and to use its unobligated cash income or
 13 funds, or both available to it, for the purpose of supplementing the State
 14 Treasury funds for financing the entire costs of the project or projects
 15 enumerated herein. Provided further, that the appropriations and funds
 16 otherwise provided by the General Assembly for Maintenance and General
 17 Operations of the agency or institutions receiving appropriation herein shall
 18 not be used for any of the purposes as appropriated in this act.

19 (B) The restrictions of any applicable provisions of the State Purchasing
 20 Law, the General Accounting and Budgetary Procedures Law, the Revenue
 21 Stabilization Law and any other applicable fiscal control laws of this State
 22 and regulations promulgated by the Department of Finance and Administration,
 23 as authorized by law, shall be strictly complied with in disbursement of any
 24 funds provided by this act unless specifically provided otherwise by law.

25
 26 SECTION 4. LEGISLATIVE INTENT. It is the intent of the General Assembly
 27 that any funds disbursed under the authority of the appropriations contained
 28 in this act shall be in compliance with the stated reasons for which this act
 29 was adopted, as evidenced by the Agency Requests, Executive Recommendations
 30 and Legislative Recommendations contained in the budget manuals prepared by
 31 the Department of Finance and Administration, letters, or summarized oral
 32 testimony in the official minutes of the Arkansas Legislative Council or
 33 Joint Budget Committee which relate to its passage and adoption.

34
 35 SECTION 5. EMERGENCY CLAUSE. It is found and determined by the General
 36 Assembly, that the Constitution of the State of Arkansas prohibits the

1 appropriation of funds for more than a two (2) year period; that the
2 effectiveness of this Act on July 1, 2007 is essential to the operation of
3 the agency for which the appropriations in this Act are provided, and that in
4 the event of an extension of the Regular Session, the delay in the effective
5 date of this Act beyond July 1, 2007 could work irreparable harm upon the
6 proper administration and provision of essential governmental programs.
7 Therefore, an emergency is hereby declared to exist and this Act being
8 necessary for the immediate preservation of the public peace, health and
9 safety shall be in full force and effect from and after July 1, 2007.
