10 appropriation of funds for more than a two (2) year period; that the
11 effectiveness of this Act on July 1, 2007 is essential to the operation of
12 the agency for which the appropriations in this Act are provided, and that in
13 the event of an extension of the Regular Session, the delay in the effective
14 date of this Act beyond July 1, 2007 could work irreparable harm upon the
15 proper administration and provision of essential governmental programs.
16 Therefore, an emergency is hereby declared to exist and this Act being
17 necessary for the immediate preservation of the public peace, health and
18 safety shall be in full force and effect from and after July 1, 2007.
