3	abolition of a state agency that is subject to this chapter, the General
4	Assembly by law may continue the state agency for a period not to exceed
5	twelve (12) years.
6	(b) This chapter does not prohibit the General Assembly from:
7	(1) Terminating a state agency subject to this chapter at a date
8	earlier than that provided in this chapter; or
9	(2) Considering any other legislation relative to a state agency
10	subject to this chapter.
11	
12	25-39-211. Procedure after termination.
13	(a)(l) A state agency that is abolished in an odd-numbered year may
14	continue in existence until June 30 of the following year to conclude its
15	business.
16	(2) Unless the law provides otherwise, abolishment shall not
17	reduce or otherwise limit the powers and authority of the state agency during
18	the concluding year.
19	(3) A state agency is terminated and shall cease all activities
20	at the end of the one-year period.
21	(4) Unless the law provides otherwise, all rules that have been
22	adopted by the state agency expire at the expiration of the one-year period.
23	(b) Any unobligated and unexpended appropriations of an abolished
24	state agency shall lapse on June 30 of the even-numbered year after
25	abolishment.
26	(c)(l) Except as provided by subsection (f) of this section or as
27	otherwise provided by law, all money in a dedicated fund of an abolished
28	state agency on June 30 of the even-numbered year after abolishment shall be
29	transferred to the General Revenue Fund Account of the State Apportionment
30	Fund.
31	(2) The part of the law dedicating the money to a specific fund
32	of an abolished state agency becomes void on June 30 of the even-numbered
33	year after abolishment.
34	(d) Unless the law or a line item appropriation in an appropriation
35	act of the General Assembly provides otherwise, an abolished state agency
36	funded in an appropriation act of the General Assembly for both years of the

1	biennium may not spend or obligate any of the money appropriated to it for
2	the second year of the biennium.
3	(e)(l) Unless the Governor designates an appropriate state agency as
4	prescribed by subsection (f) of this section, property and records in the
5	custody of an abolished state agency on June 30 of the even-numbered year
6	after abolishment shall be transferred to the Office of State Procurement of
7	the Department of Finance and Administration.
8	(2) If the Covernor designates an appropriate state agency, the
9	property and records shall be transferred to the designated state agency.
10	(f)(1) The General Assembly recognizes the state's continuing
11	obligation to pay bonded indebtedness and all other obligations, including
12	lease, contract, and other written obligations, incurred by a state agency
13	abolished under this chapter, and this chapter does not impair or impede the
14	payment of bonded indebtedness and all other obligations, including lease,
15	contract, and other written obligations, in accordance with their terms.
16	(2) If an abolished state agency has outstanding bonded
17	indebtedness or other outstanding obligations, including, but not limited to,
18	lease, contract, and other written obligations, the bonds and all other
19	obligations shall remain valid and enforceable in accordance with their terms
20	and subject to all applicable terms and conditions of the laws and
21	proceedings authorizing the bonds and all other obligations, including lease,
22	contract, and other written obligations.
23	(3) The Governor shall designate an appropriate state agency
24	that shall continue to carry out all covenants contained in the bonds and in
25	all other obligations, including lease, contract, and other written
26	obligations, and the proceedings authorizing them, including the issuance of
27	bonds, and the performance of all other obligations, including lease,

29	projects or the performance of other obligations, including lease, contract,
30	and other written obligations.
31	(4) The designated state agency shall provide payment from the

2	full.
3	(5) If the proceedings so provide, all funds established by laws
4	or proceedings authorizing the bonds or authorizing other obligations,
5	including lease, contract, and other written obligations, shall remain with
6	the Director of the Department of Finance and Administration or the
7	previously designated trustees.
8	(6) If the proceedings do not provide that the funds remain with
9	the director or the previously designated trustees, the funds shall be
10	transferred to the designated state agency.

16	for the purposes of the subcommittee proceedings.
17	(2) The process may be served on a witness at any place in this
18	state.
19	(b) If a majority of the subcommittee directs the issuance of a
20	subpoena, the Chair of the Covernment Efficiency and Accountability Review

22	(c) If the chair is absent, the chair's designee may issue a subpoena
23	or other process in the same manner as the chair.

29	given under oath subject to the penalty of perjury.
30	(f) A witness who attends a subcommittee proceeding under process is
31	entitled to the same mileage and per diem as a witness who appears before a
32	grand jury in this state.
33	
34	25-39-213. Assistance and access to state agencies.
35	(a)(1) The Government Efficiency and Accountability Review
36	Subcommittee may request the assistance of state agencies and officers.

4	or its designated staff member may inspect the records, documents, and files
5	of any state agency.
6	
7	25-39-214. Records protected from disclosure.
8	A record held by another entity that is confidential by law and that
9	the Government Efficiency and Accountability Review Subcommittee receives in
10	connection with the performance of the subcommittee's functions under this
11	chapter or another law remains confidential and is excepted from the Freedom
12	of Information Act of 1967, § 25-19-101 et seq.
13	
14	25-39-215. Relocation of employees.
15	If an employee is displaced because a state agency is abolished,
16	reorganized, or continued, the state agency and the Department of Workforce
17	Services shall make a reasonable effort to relocate the displaced employee.
18	
19	25-39-216. Saving provision.
20	
21	Except as otherwise provided, abolition of a state agency does not
22	affect rights and duties that matured, penalties that were incurred, civil or
23	criminal liabilities that arose, or proceedings that were begun before the
24	effective date of the abolition.
25	
26	25-39-217. Gifts and grants.
27	(a) The Government Efficiency and Accountability Review Subcommittee
28	may accept gifts, grants, and donations from any organization described in
29	section 501(c)(3) of the Internal Revenue Code as it existed on January 1,
30	2005, for the purpose of funding any activity under this chapter.
31	(b) All gifts, grants, and donations shall:
32	(1) Be accepted in an open meeting by a majority of the voting
33	members of the subcommittee; and
34	(2) Reported in the public record of the subcommittee with the
35	name of the donor and the purpose of the gift, grant, or donation.
36	

1	25-39-218. Attrition.
2	Whenever possible, state government is encouraged to utilize attrition
3	as a long-term approach to reducing state agency costs and as a means of
4	saving taxpayer money.
5	
6	25-39-219. Review of proposed legislation creating regulatory state
7	agency.
8	(a) Each bill filed in the General Assembly that would create a new
9	state agency having regulatory authority shall be forwarded to the Government
10	Efficiency and Accountability Review Subcommittee.
11	(b) The subcommittee shall review the bill to determine if:
12	(1) The proposed regulatory or other functions of the state
13	agency or committee may be administered by one (1) or more existing state
14	agencies;
15	(2) The form of regulation, if any, proposed by the bill is the
16	least restrictive form of regulation that will adequately protect the public;
17	(3) The bill provides for adequate public input regarding any
18	regulatory function proposed by the bill; and
19	(4) The bill provides for adequate protection against conflicts
20	of interest within the state agency.
21	(c) After reviewing the bill, the subcommittee shall forward a written
22	comment on the legislation to the sponsor of the bill and to the chair of the
23	committee to which the bill is referred.
24	
25	25-39-220. Rules.
26	The Government Efficiency and Accountability Review Subcommittee shall
27	promulgate rules necessary to carry out the provisions of this chapter.
28	
29	25-39-301. Intent.
30	(a) The General Assembly finds that:
31	(1) The actions of state government have produced a substantial
32	increase in the number of agencies, departments, boards, commissions,
33	institutions, and programs of this state, growth of preexisting programs, and
34	the proliferation of rules;
35	(2) The growth of state government has developed without
36	sufficient legislative oversight, regulatory accountability, or a system of

1	checks and balances; and
2	(3) By establishing a system for the termination, study, review,
3	continuation, or reestablishment of such agencies, the General Assembly will
4	be in a better position to evaluate the need for the continued existence of
5	existing and future agencies, departments, boards, commissions, institutions,
6	and programs of the state government.
7	(b) The intent of this subchapter is to establish an orderly schedule
8	for the abolishment of all existing state agencies during a twelve-year
9	period, but to make provision for review by the Government Efficiency and
10	Accountability Review Subcommittee of the House Interim Committee on State
11	Agencies and Governmental Affairs and the Senate Interim Committee on State
12	Agencies and Governmental Affairs to enable the General Assembly to have the
13	benefit of recommendations for the continuation of those state agencies which
14	are deemed to be essential for the necessary and efficient operation of
15	government prior to the abolishment.
16	
17	25-39-302. State agencies abolished unless continued by General
