SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that various changes in law are needed for the institutions of higher education, including the authorization of additional vehicles to maintain efficient operations of campuses; and that this act is necessary because the use of the vehicles is to begin at the onset of fiscal year 2008. Therefore, an emergency is declared to exist and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2007.
