23 SECTION 1. Arkansas Code § 6-82-601 is amended to read as follows:

24 6-82-601. Children of prisoners of war, etc., after January 1, 1960.

25 (a) As used in this section:

26 (1) "Dependent" means a spouse or any child born or conceived,
27 been legally adopted, or under the legal guardianship of a prisoner of war or
28 person declared to be missing in action or killed in action or killed on
29 ordnance delivery, or disabled veteran. ~~any child born before or during the~~
30 ~~period of time his or her parent served as a prisoner of war or was declared~~
31 ~~a person missing in action or killed in action on ordnance delivery, or any~~
32 ~~child adopted or in the legal custody of the parent prior to and during the~~
33 ~~time the parent served as a prisoner of war or was declared to be a person~~
34 ~~missing in action or a person killed in action or a person killed on ordnance~~
35 ~~delivery;~~ The dependent child or spouse of a prisoner of war, veteran
36 missing in action, or killed in action or killed on ordnance delivery, or

1 disabled veteran must be a current resident of Arkansas. Stepchildren of the
2 veteran are not eligible unless they have been legally adopted by the veteran
3 or the veteran has been appointed as the legal guardian of the stepchild. A
4 dependent child must meet the definition of dependent child as established by
5 the U.S. Federal Department of Education;

6 (2) "Disabled veteran" means a person who has been awarded
7 special monthly compensation by the federal Department of Veterans Affairs
8 for service-connected, one hundred percent (100%) total and permanent
9 disability;

10 (3) "Ordnance delivery" means the piloting of or flying in an
11 experimental or test aircraft while determining its fitness or ability to
12 perform its military function or mission; and

13 (4) "Prisoner of war", "person missing in action", "person
14 killed in action", and "person killed on ordnance delivery" and "disabled
15 veteran" means any person who was a resident of the State of Arkansas at the
16 time that person entered the service of the United States armed forces or
17 whose official residence is within the State of Arkansas and who, while
18 serving in the armed forces, has been declared to be a prisoner of war, a
19 person missing in action, or a person killed in action as established by the
20 Secretary of Defense of the United States after January 1, 1960, or a person
21 killed on ordnance delivery, or has been declared by the federal Department
22 of Veterans Affairs to be 100% totally and permanently disabled as a result
23 of service-connected injuries or service-connected medical conditions. It is
24 not necessary for the purposes of these definitions that capture or death
25 occur during a declared war or as a result of hostile actions. A death as
26 result of injuries received while serving in the armed forces is only covered
27 by this statute if the death occurred while on active duty;

28 (b) Each applicant must apply for the Dependents' Educational
29 Assistance Program (DEA) Chapter 35 of Title 38 of the U.S. Code with the
30 U.S. Department of Veterans' Affairs. The applicant must provide the
31 Arkansas Department of Higher Education with proof of acceptance of DEA or
32 non-eligibility into DEA upon application to this program.

33 ~~(b)~~(c) The Arkansas Higher Education Coordinating Board and the State
34 Board of Education are directed, authorized, and empowered to promulgate and

36 of this section.

1 ~~(e)~~(d) Any dependent of a disabled veteran, a prisoner of war, or a
 2 person declared to be missing in action or killed in action or a person
 3 killed on ordnance delivery as defined by the provisions of this section,
 4 upon his or her being accepted for enrollment into any state-supported
 5 institution of higher education or state-supported technical or vocational
 6 school in the State of Arkansas, shall be allowed to obtain a bachelor's
 7 degree or certificate of completion or, if he or she did not receive any
 8 undergraduate education in the State of Arkansas, a graduate or professional

 10 uncovered expense of tuition, fees, or other charges not covered by
 11 Dependents' Educational Assistance Program's compensation paid during the
 12 months included in each semester or free of tuition, fees, or other charges
 13 if found non-eligible for DEA but still eligible for this scholarship program
 14 free of tuition, fee or other charge from such institution or school.

15 ~~(d)~~(e) Once a person qualifies as a dependent under the terms and
 16 provisions of this section, there shall be no situation such as the return of
 17 the parent or the reported death of the parent that will remove the dependent
 18 from the provisions or benefits of this section.

19 (f) An eligible recipient shall receive a scholarship for one (1)
 20 academic year, renewable for up to three (3) additional academic years if the
 21 recipient meets continuing eligibility criteria established by the Department
