SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that due to the decline in the economy and the uncertainty surrounding the amount of revenues that may be available for vital programs, additional time is needed to determine the amount of revenues that may be available for such programs during the fiscal year ending June 30, 2010; and that this act is immediately necessary because budget revisions may be necessary to insure the continued operation of vital state programs throughout the next fiscal year. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
