35 *(a) The Arkansas Capital Corporation may form a nonprofit corporation*
36 *named "Connect Arkansas" to:*

1 (1) Prepare the people and businesses of Arkansas to secure the
2 economic, educational, health, social, and other benefits available via
3 broadband use; ~~and~~

4 (2) Facilitate the availability of broadband service to every
5 home and business in Arkansas;

6 ~~(b) The Arkansas Science and Technology Authority may make grants from~~
7 ~~funds available for the purpose of establishing Connect Arkansas.~~

8 ~~(c)(3) Connect Arkansas will promote~~ Promote broadband-based
9 development in Arkansas, with the goals of facilitating:

10 ~~(1)(A)~~ Broadband education so that the citizens of every
11 home and business in Arkansas can take full advantage of broadband services;
12 and

13 ~~(2)(B)~~ The availability of broadband service to broadband-
14 educated citizens in every home and business in Arkansas by the end of the
15 year 2012; and

16 ~~(d)(4)~~ Recognizing that such services as geographical
17 information system data delivery and high-definition television programs
18 require increasingly huge demands in bandwidth, Connect Arkansas will promote
19 broadband backbone networks that will serve all of Arkansas with the
20 bandwidth to support Arkansas home and business needs into the foreseeable
21 future.

22 (b) The Governor, and with the consent of the Governor, the Department
23 of Economic Development, the Arkansas Science and Technology Authority, and
24 any other state entity may make grants available for the purpose of
25 supporting Connect Arkansas.

13 (3) Three (3) members to be appointed by the President Pro
14 Tempore of the Senate; ~~and~~

15 (4) Three (3) members to be appointed by the Speaker of the
16 House of Representatives; and

17 (5) The President of the Arkansas Science and Technology
18 Authority or his or her designee who shall serve as an ex-officio member of
19 the Council.

20 (c) The council shall:

21 (1) Provide an annual report to the Governor and the General
22 Assembly;

23 (2) Provide a final report to the Governor and the General
24 Assembly through the year ending December 31, 2011; and

25 (3) Expire on June 30, 2012.

26
27 SECTION 4. Arkansas Code Title 4, Chapter 113, Subchapter 1 is amended
28 to add an additional section to read as follows:

29 4-113-106. Legislative Findings – Critical Infrastructure –Priority of
30 county economic development plans that include regional broadband
31 collaboration.

32 (a) The General Assembly finds that:

33 (1) Broadband is:

34 (A) Critical infrastructure to the State of Arkansas; and

35 (B) Essential to:

36 (i) The fundamental activities of an advanced

1 society including education, economic development, health, the pursuit of
2 science and technology, and the conduct of government at all levels; and

3 (ii) Obtaining economic and educational equality
4 among the different counties and regions of Arkansas;

5 (2) As a critical infrastructure:

6 (A) The first phase of the statewide broadband effort must
7 be to make broadband accessible to every individual and organization in
8 Arkansas; and

9 (B) The second phase of the statewide broadband effort
10 must be to establish Arkansas as a leader in the leveraging of broadband in
11 support of the activities essential to an advanced society; and

12 (3) The inclusion of broadband in state and county economic
13 development plans should be encouraged.

14 (b) State activities in support of county economic development plans
15 shall give priority to county economic development plans that include
16 regional broadband collaborations to assist in situations in which counties
17 can not independently establish broadband.

18
19 SECTION 5. EMERGENCY CLAUSE. It is found and determined by the
20 General Assembly of the State of Arkansas that there is a great need to
21 improve technology in underdeveloped areas of the state; that opportunities
22 for funding and providing technology to these areas should be made available
23 as soon as possible; and that this act improves the ability of the state to
24 improve the technology to rural Arkansas and other underdeveloped areas of
25 the state to address the health, economic, educational, technology and other
26 needs of these areas. Therefore, an emergency is declared to exist and this
27 act being immediately necessary for the preservation of the public peace,
28 health, and safety shall become effective on:

29 (1) The date of its approval by the Governor;

30 (2) If the bill is neither approved nor vetoed by the Governor,
31 the expiration of the period of time during which the Governor may veto the
32 bill; or

33 (3) If the bill is vetoed by the Governor and the veto is
34 overridden, the date the last house overrides the veto.
