22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
23

24 *SECTION 1. Arkansas Code § 12-86-203 is amended to read as follows:*

25 *12-86-203. Division of Child Care and Early Childhood Education*
26 *policies.*

27 *The Director of the Division of Child Care and Early Childhood*
28 *Education of the Department of Human Services shall coordinate efforts with*
29 *other state agencies and appropriate organizations to:*

30 *(1)(A) Share with the Arkansas Department of Emergency*
31 *Management on a quarterly basis an integrated list of all licensed child care*
32 *facilities and all known license-exempt child care facilities, including*
33 *without limitation physical addresses, maximum capacity, emergency contact*
34 *information, hours of operation, and status as tuition subsidy, meal subsidy,*
35 *state-funded pre-kindergarten, and quality-rated facilities.*

36 *(B) The integrated list is to be sorted by county;*

1 (2) Identify designated emergency shelters, including without
2 limitation local shelters and mass evacuation shelters, in proximity to all
3 licensed child care facilities and all known license-exempt facilities,
4 identify three (3) designated shelters in closest proximity to each child
5 care facility, and notify each child care facility annually of the locations
6 of those shelters;

7 (3) Coordinate efforts to notify the state emergency management
8 agency of the estimated number of children in child care facilities who could
9 be evacuated to each shelter;

10 (4) Require all licensed child care facilities to notify parents
11 annually of the shelters designated by the Division of Child Care and Early
12 Childhood Education of the Department of Human Services as being in closest
13 proximity to those facilities;

14 (5) Include early childhood emergency preparedness courses and
15 workshops that address specific risk factors and evacuation procedures in
16 particular geographic areas among approved courses and workshops for meeting
17 requirements for in-service training for licensed child care providers in
18 those geographic areas; ~~and~~

19 (6) Incorporate specific indicators of emergency preparedness,
20 linked to specific disaster risk factors in providers' geographic areas, into
21 each level of any quality ratings above minimum licensing standards; and

22 (7)(A) Require a child care facility to have a written plan for
23 evacuation in the event of fire, natural disaster, or other threatening
24 situation that may pose a health or safety hazard to the children in the
25 child care facility;

26 (B) Require the plan to include without limitation:

27 (i) A designated relocation site and evacuation
28 route;

29 (ii) Procedures for notifying parents of the
30 relocation and ensuring family reunification;

31 (iii) Procedures to address the needs of individual
32 children, including children with special needs;

33 (iv) Instructions relating to the training of staff
34 or the reassignment of staff duties, as appropriate;

35 (v) Coordination with local emergency management
36 officials; and
