18 the safety and security of the prisoner or detainee, the staff of the
19 correctional institution or medical facility, other prisoners or detainees,
20 or the public, except that:

21 (1) If a doctor, nurse, or other health professional requests

34 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
35 General Assembly of the State of Arkansas that with the expanding prison
36 population, more and more women are being incarcerated while pregnant; that

1 it violates both medical standards and standards of parenthood to restrain
2 pregnant women during childbirth; and that this act is immediately necessary
3 because the state and local correctional institutions should be instructed to
4 immediately end the practice of restraining pregnant women during childbirth.
5 Therefore, an emergency is declared to exist and this act being immediately
6 necessary for the preservation of the public peace, health, and safety shall
7 become effective on:

8 (1) The date of its approval by the Governor;

9 (2) If the bill is neither approved nor vetoed by the Governor,
10 the expiration of the period of time during which the Governor may veto the
11 bill; or

12 (3) If the bill is vetoed by the Governor and the veto is
13 overridden, the date the last house overrides the veto.
