18	SECTION 3. EMERGENCY CLAUSE. It is found and determined by the	
19	General Assembly that manufacturers in this state have suffered losses due to	
20	sharp increases in energy costs; that these manufacturers are unable to set	
21	the price for the products they produce and are particularly vulnerable to	
22	price volatility; that the current sales and use tax on utilities consumed by	
23	these manufacturers located within this state creates a competitive	
24	disadvantage; that this act is intended to address that problem by providing	
25	a reduced tax rate on utilities consumed by manufacturers located in this	
26	state; and that this act is necessary to prevent the loss of manufacturing	
27	jobs. Therefore, an emergency is hereby declared to exist and this act being	
28	necessary for the preservation of public peace, health, and safety shall	
29	become effective on July 1, 2009.
