22

23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
24

25 SECTION 1. Arkansas Code §§ 20-13-401 and 20-13-402 are amended to
26 read as follows:

27 20-13-401. Title.

28 This subchapter shall be known and cited as the "Insect Sting and Other
29 Allergic Reactions Emergency Treatment Act".
30

31 20-13-402. Purpose.

32 It is the purpose of this subchapter to provide a means of authorizing
33 certain individuals to administer treatment to those persons who have severe
34 adverse reactions to insect stings and other allergic reactions when a
35 physician is not immediately available.
36

SECTION 2. Arkansas Code § 20-13-404 is amended to read as follows:
20-13-404. Eligibility for certificate.

Persons eligible to receive a certificate ~~pursuant to~~ under this subchapter shall meet the following requirements:

(1) Be eighteen (18) years of age or older;

(2) Have, or reasonably expect to have, responsibility for at least one (1) other person as a result of one’s relationship or occupational or volunteer status, for example, parents, camp counselors, scout leaders, schoolteachers, forest rangers, tour guides, or chaperones;

(3)(A) Have been properly instructed by a physician licensed under the Arkansas Medical Practices Act, § 17-95-201 et seq., § 17-95-301 et seq., and § 17-95-401 et seq.

(B) The curriculum shall minimally include recognition of the symptoms of systemic reactions to insect stings and other allergic reactions and the proper administration of a subcutaneous injection of epinephrine.

SECTION 3. Arkansas Code § 20-13-405(b), concerning the authority of insect sting and other allergic reaction certificate holders, is amended to read as follows:

(b) The certificate shall also authorize the certificate holder to possess and administer, in an emergency situation when a physician is not immediately available, the prescribed epinephrine to persons suffering a severe adverse reaction to an insect sting or other allergic reaction.
