33 SECTION 11. APPROPRIATION - AMERICAN RECOVERY AND REINVESTMENT ACT OF
 34 2009. There is hereby appropriated, to the Arkansas Public Service
 35 Commission, to be payable from the federal funds as designated by the Chief
 36 Fiscal Officer of the State, for personal services and operating expenses of

1 the Arkansas Public Service Commission - American Recovery and Reinvestment
 2 Act of 2009 for the fiscal year ending June 30, 2012, the following:

4 ITEM	FISCAL YEAR
5 <u>NO.</u>	<u>2011-2012</u>
6 (01) AMERICAN RECOVERY AND 7 REINVESTMENT ACT OF 2009	<u>\$822,779</u>

8
 9 SECTION 12. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
 10 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

11 CONTINGENCY RESTRICTION - UTILITIES DIVISION. In the event of unforeseen
 12 conditions, additional appropriations become necessary that are not
 13 authorized or contemplated in the Utilities Division appropriation of this
 14 Act and such events make it necessary that the Public Service Commission -
 15 Utilities Division receives additional appropriations to carry out the
 16 objectives of the agency, the Director of the Public Service Commission is
 17 hereby authorized to request the approval of the Governor and the Chief
 18 Fiscal Officer of the State, as hereinafter provided, for transfer of the
 19 additional appropriations provided in the Contingency appropriation to the
 20 appropriations provided by the Utilities Division appropriation, but in no
 21 event shall the transfers exceed the appropriations provided in the
 22 Contingency appropriation of this Act. Whenever the Director of the Public
 23 Service Commission deems it necessary to establish additional appropriations
 24 as authorized herein, he or she shall file with the Governor a written report
 25 accompanied by necessary supporting documents setting forth the facts,
 26 justifications, and circumstances that necessitate such appropriation. Upon
 27 receipt of such reports and supporting documents, the Governor, or his or her
 28 designee, shall study the same, and if he or she shall determine that such
 29 additional appropriations are being sought in strict compliance with this
 30 Act, the Governor, after seeking prior review and prior approval by the
 31 Arkansas Legislative Council or the Joint Budget Committee, may approve or
 32 modify such request for additional appropriations as in his or her judgment
 33 he or she deems necessary, and shall forward a copy thereof to the Chief
 34 Fiscal Officer of the State. Upon receipt thereof, the Chief Fiscal Officer
 35 of the State shall direct the State Auditor to process said transfer upon his
 36 books in accordance with the provisions as set out therein.

1 Determining the maximum number of employees and the maximum amount of
2 appropriation and general revenue funding for a state agency each fiscal year
3 is the prerogative of the General Assembly. This is usually accomplished by
4 delineating such maximums in the appropriation act(s) for a state agency and
5 the general revenue allocations authorized for each fund and fund account by
6 amendment to the Revenue Stabilization law. Further, the General Assembly
7 has determined that the Public Service Commission - Utilities Division may
8 operate more efficiently if some flexibility is provided to the Public
9 Service Commission - Utilities Division authorizing broad powers under this
10 Section. Therefore, it is both necessary and appropriate that the General
11 Assembly maintain oversight by requiring prior approval of the Legislative
12 Council or Joint Budget Committee as provided by this section. The
13 requirement of approval by the Legislative Council or Joint Budget Committee
14 is not a severable part of this section. If the requirement of approval by
15 the Legislative Council or Joint Budget Committee is ruled unconstitutional
16 by a court of competent jurisdiction, this entire section is void.

17 The provisions of this section shall be in effect only from July 1, ~~2010~~
18 2011 through June 30, ~~2011~~ 2012.

19
20 SECTION 13. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
21 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.
22 CONTINGENCY RESTRICTION - TAX DIVISION. In the event additional
23 appropriations become necessary that are not authorized or contemplated in
24 the Tax Division appropriation of this Act and specific cases, situations,
25 and/or programs make it necessary that the Arkansas Public Service Commission
26 - Tax Division receives additional appropriations to carry out the objectives
27 of the Division, the Chairman of the Arkansas Public Service Commission is
28 hereby authorized to request the approval of the Governor and the Chief
29 Fiscal Officer of the State for transfers of the appropriations provided in
30 the Contingency line item of the Tax Division appropriation of this Act to
31 other line items within the Tax Division appropriation. In no event shall
32 the transfers in any fiscal year exceed the appropriations provided in the
33 Contingency line item of the Tax Division appropriation of this Act. The
34 Governor may approve or modify such request for transfer of appropriations as
35 in his or her judgment he or she deems necessary, and shall seek prior review
36 and approval of the Arkansas Legislative Council and inform the Chief Fiscal

1 Officer of the State. Upon notification, the Chief Fiscal Officer of the
2 State shall direct the State Auditor to process said transfer upon his or her
3 books in accordance with the provisions as set out herein.

4 Determining the maximum number of employees and the maximum amount of
5 appropriation and general revenue funding for a state agency each fiscal year
6 is the prerogative of the General Assembly. This is usually accomplished by
7 delineating such maximums in the appropriation act(s) for a state agency and
8 the general revenue allocations authorized for each fund and fund account by
9 amendment to the Revenue Stabilization law. Further, the General Assembly
10 has determined that the Public Service Commission - Tax Division may operate
11 more efficiently if some flexibility is provided to the Public Service
12 Commission - Tax Division authorizing broad powers under this Section.
13 Therefore, it is both necessary and appropriate that the General Assembly
14 maintain oversight by requiring prior approval of the Legislative Council or
15 Joint Budget Committee as provided by this section. The requirement of
16 approval by the Legislative Council or Joint Budget Committee is not a
17 severable part of this section. If the requirement of approval by the
18 Legislative Council or Joint Budget Committee is ruled unconstitutional by a
19 court of competent jurisdiction, this entire section is void.

20 The provisions of this section shall be in effect only from July 1, ~~2010~~
21 2011 through June 30, ~~2011~~ 2012.

22
23 SECTION 14. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
24 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. ARKANSAS
25 HIGH COST FUND. To ensure that telecommunications rates are reasonable and
26 affordable, the Arkansas Public Service Commission should take all reasonable
27 steps necessary to reduce the Arkansas High Cost Fund (AHCF), and avoid
28 mandating any additional charges or expenses for telecommunications services
29 that could increase AHCF assessments which would result in higher AHCF
30 surcharges to customers.

31
32 SECTION 15. COMPLIANCE WITH OTHER LAWS. Disbursement of funds
33 authorized by this act shall be limited to the appropriation for such agency
34 and funds made available by law for the support of such appropriations; and
35 the restrictions of the State Procurement Law, the General Accounting and
36 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary

1 Procedures and Restrictions Act, or their successors, and other fiscal
2 control laws of this State, where applicable, and regulations promulgated by
3 the Department of Finance and Administration, as authorized by law, shall be
4 strictly complied with in disbursement of said funds.

5
6 SECTION 16. LEGISLATIVE INTENT. It is the intent of the General
7 Assembly that any funds disbursed under the authority of the appropriations
8 contained in this act shall be in compliance with the stated reasons for
9 which this act was adopted, as evidenced by the Agency Requests, Executive
10 Recommendations and Legislative Recommendations contained in the budget
11 manuals prepared by the Department of Finance and Administration, letters, or
12 summarized oral testimony in the official minutes of the Arkansas Legislative
13 Council or Joint Budget Committee which relate to its passage and adoption.

14
15 SECTION 17. EMERGENCY CLAUSE. It is found and determined by the
16 General Assembly, that the Constitution of the State of Arkansas prohibits
17 the appropriation of funds for more than a one (1) year period; that the
18 effectiveness of this Act on July 1, 2011 is essential to the operation of
19 the agency for which the appropriations in this Act are provided, and that in
20 the event of an extension of the legislative session, the delay in the
21 effective date of this Act beyond July 1, 2011 could work irreparable harm
22 upon the proper administration and provision of essential governmental
23 programs. Therefore, an emergency is hereby declared to exist and this Act
24 being necessary for the immediate preservation of the public peace, health
25 and safety shall be in full force and effect from and after July 1, 2011.
