16 is amended to add an additional subsection to read as follows:

17 (c) The payment of the cost of the refunded service shall be based on

21 Employees' Retirement System; and

7
8 SECTION 5. Arkansas Code § 24-5-123(a)(5), regarding credit for

10 (5)(A) Contributes Except as provided in subdivision (a)(5)(B)
11 of this section, contributes to the members' deposit account a sum of money"
12 equal to the amount that would have been contributed during the term of
13 military service allowable, based upon the biweekly earnings of the member at
14 the time the member first reinstates membership in the system after
15 completing the period of active military service times a rate equal to the
16 sum of the contribution rates for both the member and the employer at the

23 Reemployment Rights Act of 1994, 38 U.S.C. § 4301 et seq., as in effect on
24 February 1, 2011, as it provides for employees who leave employment for
25 active military service.

26
27 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
28 General Assembly of the State of Arkansas that certain provisions of the
29 Arkansas State Highway Employees' Retirement System law are in urgent need of
30 revision to bring them into conformance with sound public pension policy;
31 that this revision is of great importance to members of the Arkansas State
32 Highway Employees' Retirement System and to other citizens of the State of
33 Arkansas; that a member's purchase of service credit currently provides that
34 a member pay the system yesterday's dollars for the value of today's
35 benefits; that such a valuation is unfair to the members as a whole and
36 inconsistent with the prudent management of the system's funds and

1 obligations; that the purchase of service credit in the system should be
2 based upon actuarial equivalents; that the purchase of service credit should
3 be paid in a lump sum to the system unless otherwise authorized; that current
4 service purchase accounts remain unpaid and inactive for many years at a time
5 and create an administrative burden and accounting difficulty on the system
6 that can be remedied by the passage of this act; and that this act is
7 necessary to maintain an orderly system of benefits for the members of the
8 Arkansas State Highway Employees' Retirement System. Therefore, an emergency
9 is declared to exist and this act being necessary for the preservation of the
10 public peace, health, and safety shall become effective on July 1, 2011.
