7 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the  
8 General Assembly of the State of Arkansas that city streets are in an extreme  
9 state of disrepair, particularly in rural municipalities; that municipalities  
10 are without an adequate program or adequate funding to allow for significant,  
11 long-term, corrective action to repair their streets; and that this act is  
12 necessary to initiate a program of remediation for municipal streets with the  
13 involvement and consent of the Arkansas State Highway and Transportation  
14 Department so that municipalities can increase the prospects of economic and  
15 social development across the state by improving their streets. Therefore,  
16 an emergency is declared to exist and this act being necessary for the  
17 preservation of the public peace, health, and safety shall become effective  
18 on July 1, 2011.
