26	BE IT ENACTED BY THE GENE	RAL ASSEMBLY OF THE STATE OF ARKANSAS:	
27			
28	SECTION 1. Arkansa	s Code Title 23, Chapter 79, Subchapter 1 is amended	
29	to add an additional sect	ion to read as follows:	
30	<u>23-79-155. Health</u>	insurance exchange coverage of abortions in the	
31	<u>state health insurance ex</u>	change prohibited.	
32	<u>(a) As used in thi</u>	<u>s section:</u>	
33	<u>(1)</u> "Abortic	n" means the use or prescription of any instrument,	
34	medicine, drug, or any ot	her substance or device intentionally to terminate	
35	the pregnancy of a woman	known to be pregnant with an intention other than to	
36	<u>increase the probability</u>	of a live birth, to preserve the life or health of

1	the child after live birth, or to remove a dead unborn child who died as the
2	result of natural causes, accidental trauma, or a criminal assault on the
3	pregnant woman or her unborn child; and
4	(2)(A) "Elective abortion" means an abortion for any reason
5	other than to prevent the death of the mother upon whom the abortion is
6	performed.
7	(B) However, an abortion shall not be deemed an elective
8	abortion to prevent the death of the mother based on a claim or diagnosis
9	that without the abortion the mother will engage in conduct that will result
10	in her death.
11	(b) The General Assembly finds that:
12	(1) Federal funding for insurance plans that cover abortions is
13	prohibited by the Hyde Amendment and the Federal Employee Health Benefits
14	Program;
15	(2) Congress enacted and the president signed into law the
16	Patient Protection and Affordable Care Act of 2010, Pub. L. No. 111-148;
17	(3) In the Patient Protection and Affordable Care Act of 2010,
18	Pub. L. No. 111-148, states are explicitly permitted to pass laws prohibiting
19	qualified health plans offered through a health insurance exchange in their
20	state from offering abortion coverage;
21	(4) It is the longstanding policy of this state that the unborn
22	child is a human being from the time of conception and is, therefore, a legal
23	person for purposes of the unborn child's right to life and is entitled to
24	the right to life from conception under the laws and constitution of this
25	state; and
26	(5) It is the longstanding policy of this state to protect the
27	right to life of the unborn child from conception by prohibiting abortion,
28	and that policy is impermissible only because of the decisions of the United
29	States Supreme Court. Therefore, if those decisions of the United States
30	Supreme Court are ever reversed or modified or the United States Constitution
31	is amended to allow protection of the unborn then the existing policy of this
32	state to prohibit abortions shall be enforced.
33	(c)(1) In accordance with the Patient Protection and Affordable Care
34	Act, Pub. L. No. 111-148, all qualified health plans offered through a health
35	insurance exchange established in this state shall not include elective
36	abortion coverage.
