19 University shall provide justification to the Arkansas Department of Higher
20 Education for the need to allocate titles from this "growth pool". No
21 classifications will be assigned to the pool until such time as specific
22 positions are requested by the University, approved by the University Board
23 or their designee, and approved by the Legislative Council. Furthermore, the
24 Office of Personnel Management (OPM) of the Division of Management Services
25 of the Department of Finance and Administration shall establish and maintain
26 for the ~~2010-2011~~ 2011-2012 fiscal year a pool of three hundred (300) career
27 service positions up to a C130. These positions are to be used by the
28 University of Arkansas for Medical Sciences in the event that the personal
29 services needs of the University during the ~~2010-2011~~ 2011-2012 fiscal year
30 exceed the number of positions in a classification allocated to the
31 University by the Legislature. The University shall provide justification to
32 OPM for the need to allocate titles from this "growth pool". No
33 classifications will be assigned to the pool until such time as specific
34 positions are requested by the University, recommended by OPM, and approved
35 by the Legislative Council.

36 (b) Determining the number of personnel to be employed by a state agency is

1 the prerogative of the General Assembly and is usually accomplished by
2 delineating the maximum number of personnel by identifying the job titles and
3 the maximum grade or salary attached to those salaries. The General Assembly
4 has determined that the University of Arkansas for Medical Sciences could be
5 operated more efficiently if some flexibility is given to that institution.
6 That flexibility is being accomplished by providing growth pools in
7 subsection (a) of this section and since the General Assembly has granted the
8 institution broad powers under the growth pool concept, it is both necessary
9 and appropriate that the General Assembly maintain oversight of the
10 utilization of the growth pool by requiring prior approval of the Legislative
11 Council in the utilization of the growth pool. Therefore, the requirement of
12 approval by the Legislative Council is not a severable part of this section.
13 If the requirement of approval by the Legislative Council is ruled
14 unconstitutional by a court of competent jurisdiction, this entire section is
15 void.

16 If the agency requests continuation of a "Growth Pool" position(s) as
17 established herein during the next fiscal year, the position(s) must be
18 requested as a new position(s) in the agency's budget request.

19 The provisions of this section shall be in effect only from July 1,
20 ~~2010~~ 2011 through June 30, ~~2011~~ 2012.

SECTION 43 LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 44. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2011 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2011 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2011.
