19 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

20

21 SECTION 1. Arkansas Code Title 20, Chapter 27 is amended to add an

22 additional subchapter to read as follows:

23 20-27-2401. Findings.

24 The General Assembly finds that:

25 (1) Herbal snuff is a tobaccoless snuff, available as loose
26 composition or in pouches, that is primarily marketed as an adult alternative
27 for moist smokeless tobacco;

28 (2) Herbal snuff is marketed in flavors that are similar to
29 those of the leading moist smokeless tobacco brands;

30 (3) Herbal snuff is not a tobacco product and therefore is not
31 subject to tobacco taxes, advertising restrictions, or merchandising
32 restrictions;

33 (4) Even though herbal snuff is regulated by the United States
34 Food and Drug Administration as a food product and manufacturers are required
35 to follow Food and Drug Administration guidelines, herbal snuff is intended
36 to be an adult-oriented product;

1 (5) Even though some companies have a strict and longstanding
2 policy of not marketing to minors, children can legally purchase herbal
3 snuff;

4 (6) Children should not be emulating adult smokeless tobacco
5 consumers and should not enter into the habit of dipping snuff;

6 (7) Herbal snuff is used in Adult Tobacco Cessation Programs;
7 and

8 (8) Herbal snuff should be marketed only to adults to avoid any
9 possibility of herbal snuff being regarded as a gateway product for children.
