20

21 SECTION 1. Arkansas Code Title 6, Chapter 15, Subchapter 5 is amended
22 to add an additional section to read as follows:

23 6-15-509. Participation of home-schooled students in interscholastic
24 activities.

25 (a) The General Assembly recognizes that all students should have
26 equal access to interscholastic activities as a complement to the academic
27 curriculum.

28 (b) As used in this section:

29 (1) "Athletic activity" means a varsity sport and any activity
30 related to a competitive sports contest, game, event, or exhibition that
31 involves an individual student or teams of students whether the activity
32 occurs among schools within the resident school district or between schools
33 outside of the resident school district;

34 (2) "Interscholastic activity" means any interschool activity
35 that is outside the regular curriculum of a public school district, including
36 without limitation an athletic activity, a fine arts program, and a special

1 interest club or group that is subject to regulations of the Arkansas
2 Activities Association.

3 (3) "Parent" includes a legal guardian or legal custodian; and

4 (4) "Resident school district" means the public school district
5 in which the home-schooled student's parent or parents reside.

6 (c)(1) A resident school district may permit a home-schooled student
7 to participate in an interscholastic activity if the home-schooled student or
8 his or her parent advises the principal of the school providing the
9 interscholastic activity in the resident school district in writing of the
10 student's request to participate in the interscholastic activity within the
11 first eleven (11) days of the beginning of the school year.

12 (2) The principal of the school providing the interscholastic
13 activity in the resident school district shall approve or disapprove the
14 written request within thirty (30) days of receiving the written request and
15 any information and documentation requested by the principal.

16 (3) The decision of the principal of the school providing the
17 interscholastic activity in the resident school district is final and may not
18 be appealed.

19 (d) If a home-schooled student's written request to participate in the
20 interscholastic activity is approved under subsection (c) of this section,
21 the student shall then:

22 (1)(A) Meet the tryout criteria for participation in the
23 interscholastic activity that apply to students enrolled in the resident
24 school district.

25 (B) A home schooled student is not guaranteed
26 participation in an athletic activity, only the opportunity to tryout for an
27 athletic activity;

28 (2)(A) Meet the eligibility criteria for participation in the
29 interscholastic activity that apply to students enrolled in the resident
30 school district, including standards of behavior and codes of conduct.

31 (B) A home-schooled student, the home-schooled student's
32 parent, and the principal of the school providing the interscholastic
33 activity in the resident school district shall sign the appropriate standards
34 of behavior and code of conduct agreements which shall be kept on file in the
35 resident school district;

36 (3) Demonstrate educational progress by scoring at grade level

1 or above on a norm-referenced standardized test in mathematics, English,
2 science, and social studies each semester that the student participates in an
3 interscholastic activity;

4 (4) Comply with all practice times and required drug testing;

5 (5) Complete any required permissions slips, waivers, and
6 physical exams; and

7 (6) Pay any participation or activity fee equal to the fee
8 charged to students enrolled in the resident school district who participate
9 in the interscholastic activity.

10 (e) A home-schooled student who participates in an interscholastic
11 activity may:

12 (A) Be counted as an enrolled student by the resident school
13 district for prorated average daily membership funding purposes; and

14 (B) Ride to and from interscholastic activity events on a school
15 bus if that is the policy of the resident school district.

16 (f) A student who has been enrolled in an Arkansas Activities
17 Association member school and withdraws from school to be home-schooled shall
18 not participate in an interscholastic activity in a resident school district
19 for a minimum of one (1) year after the student withdraws.

20 (g) A home-schooled student or a parent or guardian of a home-schooled
21 student who provides or whose parent provides false documentation or
22 verification of the home-schooled student's qualifications for eligibility to
23 participate in an interscholastic activity shall be ruled ineligible and
24 subject to the same penalties as any other student or parent of a student
25 deemed appropriate by the resident school district.
