1 Determining the maximum number of employees and the maximum amount of
2 appropriation and general revenue funding for a state agency each fiscal year
3 is the prerogative of the General Assembly. This is usually accomplished by
4 delineating such maximums in the appropriation act(s) for a state agency and
5 the general revenue allocations authorized for each fund and fund account by
6 amendment to the Revenue Stabilization law. Further, the General Assembly
7 has determined that the Arkansas Economic Development Commission may operate

26 appropriations made for "Maintenance and General Operations" in the State
27 Operations Section of this Act after prior approval by the Legislative
28 Council or Joint Budget Committee. In addition, if at any time during the
29 fiscal year, savings are accomplished in the appropriation provided for
30 "Maintenance and General Operations" in the State Operations Section of this
31 Act, such appropriation savings may be transferred to the appropriation for
32 "Far East Trade/Industry Recruitment" and "Latin American Trade" in the State
33 Operations Section of this Act, after prior approval by the Legislative
34 Council or Joint Budget Committee.

35 Determining the maximum number of employees and the maximum amount of
36 appropriation and general revenue funding for a state agency each fiscal year

1 is the prerogative of the General Assembly. This is usually accomplished by
2 delineating such maximums in the appropriation act(s) for a state agency and
3 the general revenue allocations authorized for each fund and fund account by
4 amendment to the Revenue Stabilization law. Further, the General Assembly
5 has determined that the Department of Economic Development may operate more
6 efficiently if some flexibility is provided to the Department of Economic
7 Development authorizing broad powers under this Section. Therefore, it is
8 both necessary and appropriate that the General Assembly maintain oversight
9 by requiring prior approval of the Legislative Council or Joint Budget
10 Committee as provided by this section. The requirement of approval by the
11 Legislative Council or Joint Budget Committee is not a severable part of this
12 section. If the requirement of approval by the Legislative Council or Joint
13 Budget Committee is ruled unconstitutional by a court of competent
14 jurisdiction, this entire section is void.

27 Determining the maximum number of employees and the maximum amount of
28 appropriation and general revenue funding for a state agency each fiscal year
29 is the prerogative of the General Assembly. This is usually accomplished by
30 delineating such maximums in the appropriation act(s) for a state agency and
31 the general revenue allocations authorized for each fund and fund account by
32 amendment to the Revenue Stabilization law. Further, the General Assembly
33 has determined that the Department of Economic Development may operate more

18 Determining the maximum number of employees and the maximum amount of
19 appropriation and general revenue funding for a state agency each fiscal year
20 is the prerogative of the General Assembly. This is usually accomplished by
21 delineating such maximums in the appropriation act(s) for a state agency and
22 the general revenue allocations authorized for each fund and fund account by
23 amendment to the Revenue Stabilization law. Further, the General Assembly
24 has determined that the Department of Economic Development may operate more
25 efficiently if some flexibility is provided to the Department of Economic
26 Development authorizing broad powers under this Section. Therefore, it is
27 both necessary and appropriate that the General Assembly maintain oversight
28 by requiring prior approval of the Legislative Council or Joint Budget
29 Committee as provided by this section. The requirement of approval by the
30 Legislative Council or Joint Budget Committee is not a severable part of this
31 section. If the requirement of approval by the Legislative Council or Joint
32 Budget Committee is ruled unconstitutional by a court of competent
33 jurisdiction, this entire section is void.

34 The provisions of this section shall be in effect only from July 1,
35 ~~2010~~ 2012 through June 30, ~~2011~~ 2013.

15 SECTION 31. EMERGENCY CLAUSE. It is found and determined by the
16 General Assembly, that the Constitution of the State of Arkansas prohibits
17 the appropriation of funds for more than a one (1) year period; that the

19 the agency for which the appropriations in this Act are provided, with the
20 exception that Section 14 and Section 15 in this Act shall be in full force
21 and effect from and after the date of its passage and approval, and that in
22 the event of an extension of the legislative session, the delay in the
23 effective date of this Act beyond July 1, 2012, with the exception that
24 Section 14 and Section 15 in this Act shall be in full force and effect from
25 and after the date of its passage and approval, could work irreparable harm
26 upon the proper administration and provision of essential governmental
27 programs. Therefore, an emergency is hereby declared to exist and this Act
28 being necessary for the immediate preservation of the public peace, health
29 and safety shall be in full force and effect from and after July 1, 2012,
30 with the exception that Section 14 and Section 15 in this Act shall be in
