A Bill

Regular Session, 2013

HOUSE BILL 1447

By: Representative Fite

By: Senator Hester

For An Act To Be Entitled

AN ACT TO AMEND THE CHILD MALTREATMENT ACT; AND FOR
OTHER PURPOSES.

Subtitle

TO AMEND THE CHILD MALTREATMENT ACT.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Findings and purposes.

(a) The General Assembly finds that:

(1) Children are increasingly being preyed upon, victimized, and coerced into illegal sexual relationships by adults;

(2) The Child Maltreatment Act, § 12-18-101 et seq., requires caretakers, healthcare facilities, healthcare providers, teachers, and other specified individuals to report suspected incidents of sexual crimes against children;

(3) The physical, emotional, developmental, and psychological impact of sexual crimes on child victims can be severe and long-lasting;

(4) The societal costs of these crimes are also significant and affect the entire populace;

(5) The collection, maintenance, and preservation of evidence, including forensic tissue samples, furthers Arkansas's interest in protecting children from sexual crimes and provides the state with the tools necessary for successful investigations and prosecutions;

(6) Parents and guardians have both the right and responsibility to be involved in medical treatment decisions involving their children, and

1 no one has the right to knowingly or willfully impede or circumvent this
2 right;

3 (7)(A) There are documented cases of individuals other than a
4 parent or guardian aiding, abetting, and assisting minor girls to procure
5 abortions without their parents' or guardians' knowledge, consent, or
6 involvement.

7 (B) These activities of individuals other than a parent or
8 guardian include transporting children across state lines to avoid Arkansas's
9 parental involvement requirements for abortion; and

10 (8) Such actions violate both the sanctity of the familial
11 relationship and Arkansas's parental involvement law concerning abortion.

12 (b) The General Assembly's purposes in enacting the Child Maltreatment
13 Act are to further the important and compelling state interests of:

14 (1) Protecting children from sexually predatory adults;

15 (2) Ensuring that adults who are involved in illegal sexual
16 relationships or contact with children are reported, investigated, and, when
17 warranted, prosecuted;

18 (3)(A) Relieving medical professionals and other mandatory
19 reporters of suspected sexual crimes against children from any responsibility
20 to personally investigate an allegation or suspicion.

21 (B) Mandatory reporters must simply report allegations,
22 suspensions, and pertinent facts.

23 (C) Trained law enforcement or social services personnel
24 are responsible for any investigation and for the ultimate disposition of the
25 allegation or case;

26 (4) Reducing the physical, emotional, developmental, and
27 psychological impact of sexual crimes on child victims;

28 (5) Reducing the societal and economic burden on the populace
29 that results from sexual crimes against children;

30 (6) Providing law enforcement officials with the tools and
31 evidence necessary to investigate and prosecute child predators; and

32 (7) Protecting and respecting the right of parents and guardians
33 to be involved in the medical decisions and treatment of their children and
34 preventing anyone from knowingly or willfully subverting or circumventing
35 these rights.
